Deleuze And The Body Deleuze Connections Eup:

Deleuze and the Body Laura Guillaume, 2011-03-22 A collection of essays on the approaches and applications of Deleuze's philosophy to the body Using a variety of contemporary cultural scientific and philosophical lines of enquiry the contributors produce a truly multidisciplinary view of the Deleuzian body inviting us to look afresh at art movement and literature The Deleuzian body is not necessarily a human body but the lines of enquiry here all illuminate the idea of the human body and thinking about formation origins and becoming in relation to power creativity and affect

Educational Life-Forms David R. Cole, 2012-01-01 This book takes the philosophy of Gilles Deleuze and applies it to educational practice To understand how and why to do this David R Cole puts forward the notion of educational life forms in this writing which are moving concepts based on Deleuzian principles This book turns on and through the construction of the philosophy of life in education The life forms that will come about due to the philosophy of life in education rest on epiphanies the virtual and affect The author looks to infuse educational practice with the philosophy of life though not through simple affirmation or a construction of counter metaphysics to representation in education This book uses Deleuze for practical purposes and sets out to help teachers and students to think otherwise about the current praxis of education With this book Educational Life Forms which is an examination of the significance of the philosophy of Gilles Deleuze for education David R Cole proves himself to be one of the very small number of philosophers of education who has provided intelligent commentary of Deleuze's difficult corpus Cole keenly appreciates the conceptual creativity of Deleuze especially in relation to the concepts of life forms and body without organs and effectively demonstrates its practical implications for education Michael A Peters Professor Educational Policy Studies University of Illinois at Urbana Champaign David R Cole's Educational Life Forms Deleuzian Teaching and Learning Practice is a profound speculative work that offers both new ways of thinking about the philosophy of Gilles Deleuze as a practical thinker with ideas that can be applied at the coal face as it were and new ways of thinking about teaching and learning It engages with actual policy debates as they are played out in the complex reality of the classroom situation and brings to them a fresh perspective developed through a close reading of Deleuze This is an exciting new work which will be rewarding reading for both Deleuzians and non Deleuzians and is sure to win converts amongst the latter Ian Buchanan Editor Deleuze Studies Professor of Critical Studies Dean of research in the Arts and Social Sciences University of Wollongong In this thoughtful and engaging book David R Cole has given us an answer to the important question of how Deleuze's philosophy enters into the practice of education Cole situates this philosophy within existing debates around teaching and learning not only through a very lucid account of Deleuze's work and current theory but also through highly effective and often moving examples of practice This book is essential reading for anyone interested in Deleuze and education James Williams Professor of European Philosophy University of Dundee

Therapy, Stand-Up, and the Gesture of Writing Jonathan Wyatt, 2018-12-07 Therapy Stand Up and the Gesture of Writing is a sharp lively exploration

of the connections between therapy stand up comedy and writing as a method of inquiry and of how these connections can be theorized through the author's new concept creative relational inquiry Engaging often poignant stories combine with rich scholarship to offer the reader provocative original insights Wyatt writes about his work as a therapist with his client Karl as they meet and talk together He tells stories of his experiences attending comedy shows in Edinburgh and of his own occasional performances He brings alive the everyday profound through vignettes and poems of work travel visiting his mother mourning his late father and more The book's drive however is in bringing together therapy stand up and writing as a method of inquiry to mobilise theory drawing in particular from Deleuze and Guattari the new materialisms and affect theory Through this diffractive work the text formulates and develops creative relational inquiry With its combination of fluent story telling and smart theoretical propositions Therapy Stand up and the Gesture of Writing offers compelling possibilities both for qualitative scholars who have an interest in narrative performative and embodied scholarship and those who desire to bring current complex theories to bear upon their research practices

Deleuzian Events Hanjo Berressem, Leyla Haferkamp, 2009 Deleuzian Events Writing History brings together articles that deal with Gilles Deleuze's concept of the event many of them written by leading Deleuze scholars The eminently transdisciplinary collection relates the Deleuzian event to the larger cultural field addressing not only the philosophy of the event but also its history its politics and its presence in the arts Among the variety of topics are zeta physics modern dance and postcolonial history It is indispensable reading for anyone interested in how to make Deleuzian philosophy a productive force within contemporary life

Patterns of Dissonance Rosi Braidotti, 2013-05-28 This book is a brilliant and timely analysis of the complex issues raised by the relation between women and philosophy It offers a critical account of a wide range of contemporary philosophical and feminist texts and it develops this account into an original project of critical feminist thought Braidotti examines contemporary French philosophy as practised by men such as Foucault and Derrida showing that they rely on a notion of the feminine in order to undermine classical thought which bears no direct relevance to the historical experience of women Braidotti then looks at the attempts of contemporary feminist thinkers in Europe and the United States to show the gendered nature of discursive power games She discusses the contributions of Luce Irigaray and many other feminist theorists to the understanding of sexual difference and of its implications for philosophy and politics This book will be of interest to students and researchers in women's studies feminist theory social theory cultural studies philosophy and literature and anyone interested in contemporary feminism and the relation between feminist theory post structuralism and psychoanalysis

Injecting Bodies in More-than-Human Worlds Fay Dennis, 2019-03-08 Drug use is widely understood in terms of its subjects substances and settings But what happens when these distinctions start to blur Injecting Bodies in More than Human Worlds moves away from a hierarchical

conceptualisation of drug use based on its subjects and their objects offering unique and fresh insights into the complex world of injecting drugs Focussing on the Deleuzian notion of bodies in process Dennis proposes a new and timely approach to drugs where agency materialises in relation to others human and not Using rich ethnographic data to demonstrate bodies in capacities to act through their relationality Dennis carefully maps out where bodies are thought practised lived and intervened with caught in tension between pleasure and addiction activity and passivity becoming other and becoming blocked and making and breaking habits Arguing for a deeper engagement both with how bodies are enacted and with our collective responsibility to bring them together in healthier ways this volume offers a unique intervention into the sociology of drugs and more widely health and illness It will appeal to students and researchers interested in fields such as Science and Technology Studies Sociology and Social Policy Drugs and Addiction and Health and Medical Anthropology

Political Affect John Protevi, 2009 Political Affect investigates the relationship between the social and the somatic how our bodies minds and social settings are intricately linked Bringing together concepts from science philosophy and politics he develops a perspective he calls political physiology to indicate that subjectivity is socially conditioned and sometimes bypassed in favor of a connection of the social and the somatic as with the politically triggered emotions of rage and panic

Unimaginable Bodies Anna Catherine Hickey-Moody, 2009-01-01 Unimaginable Bodies radically resituates academic discussions of intellectual disability Through building relationships between philosophy cultural studies and communities of integrated dance theatre practice Anna Hickey Moody argues that dance theatre devised with and performed by young people with and without intellectual disability can reframe the ways in which bodies with intellectual disability are known This proposition is considered in terms of classic philosophical ideas of how we think the mind and body as Hickey Moody argues that dance theatre performed by young people with and without intellectual disability creates a context in which the intellectually disabled body is understood in terms other than those that pre suppose a Cartesian mind body dualism Taking up the writings of Spinoza and Deleuze and Guattari Hickey Moody critiques aspects of medical discourses of intellectual disability arguing that Cartesian methods for thinking about the body are recreated within these discourses Further she shows that Cartesian ways of conceiving corporeality can be traced through select studies of the social construction of intellectual disability The argument for theorising corporeality and embodied knowledge that Hickey Moody constructs is a philosophical interpretation of the processes of knowledge production and subjectification that occur in integrated dance theatre Knowledge produced within integrated dance theatre is translated into thought in order to explore the affective nature of performance texts This book is essential reading for those interested in theories of embodiment disability studies and dance
