Difference Ronald J. Sider, Philip N. Olson, Heidi Rolland Unruh, 2002-04-01 Churches over the past generations have been weakened by a failure to meet both the physical and spiritual needs of their communities Many have adopted a narrow vision focusing on only one aspect of ministry But in today's environment of faith based opportunities many Christians are eager to start reaching out to their world with both Good News and good works and therefore they are searching for appropriate ways to integrate both into their ministry In *Churches That Make a Difference* best selling author Ron Sider and his coauthors give those involved in community outreach a comprehensive resource for developing holistic ministry a balance of evangelism and social outreach Illustrations and helpful organizational tips detail the how to's of an effective holistic ministry Case studies that show how different churches across the United States reach out to their communities provide a variety of ideas and practical applications User friendly tools are included as well for congregational studies surveys evaluations and community assessments The authors draw on extensive experience with church ministries and faith based organizations as they share the life changing vision and biblical mandate for living the whole gospel Church leaders will be encouraged in their process of developing and maintaining a holistic ministry and local churches will rediscover a passion for loving the whole person the way Jesus did *11 Innovations in the Local Church* Elmer L. Towns, Ed Stetzer, Warren Bird, 2007-06-05 Join three seasoned church ministry experts on an insider's tour of the most innovative churches today Discover a dozen types of innovation each with profiles of congregations that have implemented that innovation This is more than a show and tell tour however Each chapter offers a solid take away for church leaders on how to learn and apply the appropriate innovation profiled The authors also offer scripturally based assessments of both the positive and negative implications of implementing each innovation providing guidance and wisdom There are many ways to present the gospel and this timely book will serve as a springboard for church leaders scratching their heads and asking themselves What should we do next By learning from a dozen different church types church leaders can become more intentional about exploring new directions and reaching more of the world for Christ

Koivisto,2009-01-01 One Lord One Faith is a plea and plan to re envision the Church as a broad cross denominational community with a shared faith in the Christ of the Gospel It both affirms the place and inevitability of individual denominational traditions and also provides a grid from which to distinguish those denominational traditions from the core of historical orthodoxy shared by the entire Christian community The book seeks to distinguish denominationalism from sectarianism and identifies sectarianism as the true enemy of historic catholicity
