Cold Redemption Gallow:

Gallow: Cold Redemption Nathan Hawke,2013-08-08 I fought against your people and I have fought for them I have killed and I have murdered I betrayed my kin and crippled my king I led countless warriors to their deaths and fought to save one worthless life I have stood against monsters and men and I cannot always tell the difference Fate carried me away from your lands from the woman and the family I love Three hellish years but now finally I may return I hope I will find them waiting for me I hope they will remember me while all others forget Let my own people believe me dead lest they hunt me down Let me return in the dark and in the shadows so no one will know But hope is rare and fate is cruel And if I have to I will fight

Gallow: The Anvil Nathan Hawke,2015-02-26 With the Lhosir king dead and his army slaughtered and drowned on the walls of Varyxhun castle King Valaric knows it s only a matter of time before the forkbeards stop licking their wounds and come at him again and when they do he d better be ready because there s nothing more precious to a forkbeard than his pride And one of the things he needs more than anything else is a working forge to hammer out more arrowhead and spearheads and draw more wire for mail and for a forge he needs tools and an anvil The nearest working forge that has everything he needs is in Issetbridge Issetbridge still occupied by the Lhosir so he d best send someone tough to go and get it and it has to be someone who knows his way around a forge but that s not a problem since it was going to be Gallow anyway his forkbeard smith What he also has is a man on the inside a carter whom the forkbeards of Issetbridge will recognise and might even let pass without trying to murder him It s all good until Gallow s wife Arda points out that half the Lhosir in Issetbridge will recognise Gallow and he s about as subtle and unobtrusive as a smack round the head from a hammer What Valaric really needs is someone who knows their way around a forge but whom the forkbeards won t notice A Marroc not a forkbeard Better still a woman Her Valaric reluctantly agrees What he doesn t know is that Arda and Fenaric the Carter have history and it s not pretty

Gallow: The Crimson Shield Nathan Hawke,2013-07-11 I have been Truesword to my friends Griefbringer to my enemies To most of you I am just another Northlander bastard here to take your women and drink your mead but to those who know me my name is Gallow I fought for my king for seven long years I have served lords and held my shield beside common men I have fled in defeat and I have tasted victory and I will tell you which is sweeter Despise me then for I have slain more of your kin than I can count though I remember every single face For my king I will travel to the end of the world I will find the fabled Crimson Shield so that his legions may carry it to battle and when Sword and Shield must finally clash there you will find me I will not make pacts with devils or bargains with demons for I do not believe in such things and yet I will see them all around me in men and in their deeds Remember me then for I will not suffer such monsters to live Even if they are the ones I serve

Mark Twain at the Gallows Jarrod D. Roark, 2019-09-26 This book is a literary exploration of Mark Twain's writings on crime in the American West and its intersection with morality, gender, and justice. Writing from his office at the Enterprise newspaper in the Nevada Territory, Twain employed a distinct style of crime writing, one that sensationalized facts and included Twain's personal philosophies and observations. Covering Twain's journalism, fictional works, and his own personal letters, this book contextualizes the writer's coverage of crime through his anxieties about westward expansion and the promise of a utopian West. Twain's observations on the West often reflected common perceptions of the day, positioning him as a voice of the people on issues like crime, punishment, and gender.
