John Henry Phillips,2022-06-02 When archaeologist John Henry Phillips volunteered with a charity that took D Day veterans back to Normandy due to an administrative error he found himself without a hotel room and reliant on the generosity of one of the veterans who had a spare bed That veteran was Patrick Thomas and it was an encounter that would change both their lives forever Patrick s landing craft LCH 185 had led the first wave into Sword Beach on D Day and stayed off Normandy until the 25th June when an acoustic mine sent it to the seabed along with most of the crew His story transfixed John and the resulting search for the shipwreck was to consume him Jumping back and forwards in time between vivid descriptions of the final days on board LCH 185 and John s thrilling search to find the shipwreck The Search is an emotional story of a devastating time in history an unlikely life changing friendship and a quest to honour a wartime home and family lost over seventy five years ago

Talking on the Water Jonathan White,2016-09-19 During the 1980s and 90s the Resource Institute headed by Jonathan White held a series of floating seminars aboard a sixty five foot schooner featuring leading thinkers and writers from an array of disciplines Over ten years White conducted interviews gathered in this collection with the writers scientists and environmentalists who gathered on board to explore our relationship to the wild White describes the conversations as the roots of an integrated community While at first these roots may not appear to be linked a closer look reveals that they are sustained in common ground Beloved fiction writer Ursula K Le Guin discusses the nature of language microbiologist Lynn Margulis contemplates Darwin s career and the many meanings of evolution and anthropologist Richard Nelson sifts through the spiritual life of Alaska s native people Rounding out the group are writers Gretel Ehrlich Paul Shepard and Peter Matthiessen conservationists Roger Payne and David Brower theologian Matthew Fox activist Janet McCloud Jungian analyst James Hillman poet Gary Snyder and ecologist Dolores LaChapelle By identifying the common link between these conversations Talking on the Water takes us on a journey in search of a deeper understanding of ourselves and the environment

Life of Sir William Wallace, of Elderslie John Donald Carrick,1840 **Allow the Water** Leonard Desroches,2004-03 Allow the Water combines an introduction to nonviolence with a deeper exploration into some of its dimensions Though its style is mainly that of storytelling there are also as many helpful references as possible The book is 500 pages long but photos and drawings make up almost half the volume This is an exploration of the spirituality and practice of the force of love we inadequately call nonviolence Nonviolence is people and their stories before it is idea a way of living and acting not just a way of thinking This book is one contribution to an urgently needed conversation It is not meant to be complete There are questions observations and convictions Hopefully in their thoroughness and simplicity the contribute to our common search

Life of Sir William Wallace of Elderslie Volume 1 (of 2) John D. Carrick,2015-03-26 In presenting to the British Public the Life of a man whose name has been for ages the slogan or cri de guerre when the liberty of his country was in danger few words may suffice in the way of Preface The unprovoked aggression of England on the freedom of Scotland produced in the latter country one of those grand national convulsions which seldom

fail to call forth some master spirit from obscurity Owing to circumstances however connected with the unsettled and turbulent state of the times the transcendent talents of the Knight of Elderslie had been among his contemporaries more a subject for grateful admiration than historical record and in consequence no small degree of fiction has been mixed up with his story while his real achievements have become in a manner obscured by their own undefined greatness The Proprietors of Constable s Miscellany conceiving that a work exclusively devoted to the elucidation of the occurrences in the life and times of the Deliverer of Scotland would be an important addition to our stock of historical knowledge the writer was requested to undertake the present work having become partially conversant with the subject while engaged in drawing up a Life of Wallace some years ago 1 for the use of juvenile readers In venturing before the Public as the biographer of the Guardian of Scotland the Author is not unconscious of the difficulties that surround him The subject is one with which his countrymen in all ranks of life have been from their early years more or less familiar and are all qualified to a certain extent to become his critics With so numerous a host of reviewers the errors he may have committed have no chance to escape detection while the strong partiality with which such readers are imbued will no doubt be occasionally offended when they find the tame realities of historical evidence substituted for the more pleasing details of romantic and poetical embellishment With another class of readers whose cooler temperament and neutralized feelings may enable them to view the narrative of our hero s transactions through a different medium the writer runs an equal hazard of being charged with overstepping the limits of probability Thus circumstanced the hope of his production meeting any thing like general approbation becomes extremely faint and excites the apprehension that he will have to measure his success only by the mildness with which his labours may be censured It remains only to be added that to John Strachan Esq of Thornton Stirlingshire late of Woodside the Publishers lie under deep obligation for the kind manner in which he furnished information connected with Wallace s Oak and for the sketch of the tree itself after a painting by Nasmyth executed in 1771 which illustrates the present Volume The building represented in the back ground is the ruins of Tor Castle where the unfortunate James III is supposed to have passed the night previous to the fatal battle of Sauchie
