The Campaign of Chancellorsville (Classic Reprint) David Gregg McIntosh, 2015-07-12 Excerpt from *The Campaign of Chancellorsville* The Chancellorsville campaign was altogether the most remarkable conducted by General Lee While it occupied less than a week in point of time it included a series of engagements a number of which might be classed as battles Some of these were fought independently by detached bodies on fields widely separated but all controlled and inspired by one master mind Gettysburg was simply a square stand up fight a race in the first place between two hostile forces each bent on concentration before the other then a clash ending with a magnificent assault which failed And so it was at Fredericksburg a face to face fight the Confederates entrenched and the Federals making the assaults with disastrous results Fredericksburg was largely an artillery battle and so was Gettysburg but Chancellorsville was distinctly a battle of small arms fought in dense forests where open spaces could rarely be found for artillery and where it was impossible for infantry to preserve its alignment Night attacks alternated with those by day and were productive of panics and confusion The odds appeared to be first on one side and then on the other and again to be evenly balanced The campaign presented on the whole a greater variety of situations and more spectacular features than any in which the army of Northern Virginia was ever engaged The battle of Chancellorsville was probably the most difficult of all General Lee's battles at the same time it was his greatest success At no time if we except the closing chapter of the war did he have to face such overwhelming odds About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Personal Experiences of the Chancellorsville Campaign (Classic Reprint) Horatio Rogers, 2018-03-20 Excerpt from *Personal Experiences of the Chancellorsville Campaign* Split fagots laid cross wise out of which smoke curled and which presented a most incendiary appearance as it seemed as if very ample arrangements had been made to fire the whole camp

Notwithstanding the seeming incongruity however these apparently in amenable structures were the chimneys of the camp and plastered well inside with Virginia mud as they were served their purpose admirably About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Chancellorsville Campaign Charles Richardson, 2015-07-11 Excerpt from The Chancellorsville Campaign
Fredericksburg to Salem Church Glorious things are spoken of thee Psalms If you travel the globe over wherever you meet an educated man whether in Europe Asia or Africa and of course in America just mention Fredericksburg and instantly his countenance will beam with a light that speaks thus Yes I know of Fredericksburg where Lee and Jackson fought About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Campaign of Chancellorsville James Harrison Wilson, 2015-07-10 Excerpt from The Campaign of Chancellorsville April 27 May 5 1863 A Critical Review Reprinted by Permission From the Sun of November 6th 13th and 20th 1910 Nearly half a century having elapsed since the close of the War of Secession it may well be claimed that the time has come for the critical study of the strategy and tactics of the character and qualifications of the principal generals and of the plans and policies of the opposing sides in that titanic struggle Many histories and biographies have been written and published and much technical criticism has been given to the world but The Campaign of Chancellorsville by John Bigelow Jr a retired major and graduate of West Point who served a term as professor of military science and tactics at the Massachusetts Institute of Technology is by far the most minute and careful

military work which has yet been given to the country It contains maps and plans which are numerous and fairly accurate but owing to their number and to the varying scale are not always as easy to follow as they should be About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Campaign and Battle of Gettysburg G. J. Fiebeger, 2017-11-11 Excerpt from The Campaign and Battle of Gettysburg Prepared for the Use of the Cadets of the United States Military Academy West Point N Y In this department were seven field brigades one at wilmington N C three between Newberne N C And the wilmington and Weldon railroad one at Petersburg va One between Petersburg and Suffolk Va and one Davis brigade was on its way to join the Army of Northern Virginia In addition to these there was a small cavalry force in eastern North Carolina and a permanent artillery garri son in the defenses of Wilmington About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Battle of Chancellorsville (Classic Reprint)** Samuel P. Bates, 2017-11-13 Excerpt from The Battle of Chancellorsville As a military study no battle presents so many broad questions that require for their correct solution the best talent of the student and the most profitable employment of his faculties Many of the great principles of the military science tactics strategy and logistics are ex emplified in a remarkable manner in this campaign About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Chancellorsville and Gettysburg (Classic Reprint)** Abner Doubleday, 2017-11-25 Excerpt from Chancellorsville and Gettysburg Richelieu once exclaimed upon giving away a high ap pointment Now I have made one ingrate and a thousand enemies Every one who writes the history of the Great Rebellion will often have occasion to reiterate the state ment for the military critic must necessarily describe facts which imply praise or censure Those who have

contributed to great successes think much more might have been said on the subject and those who have caused reverses and de feats are bitter in their denunciations Nevertheless the history of the war should be written before the facts have faded from the memory of living men and have become mere matters of tradition In a narrative of this kind resting upon a great number of voluminous details I cannot hope to have wholly escaped error and wherever I have misconceived or misstated a fact About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Shades of Blue and Gray* Herman Hattaway, 1997-05-29 Hattaway extrapolates from recent works by revisionists William Skelton and Roy Roberts to illustrate convincingly that the development of military professionalism is not entirely a post Civil War phenomenon
