Canadian Cultural Exchange / Échanges culturels au Canada Norman Cheadle, Lucien Pelletier,2011-04-07 The essays in Canadian Cultural Exchange changes culturels au Canada provide a nuanced view of Canadian transcultural experience Rather than considering Canada as a bicultural dichotomy of colonizer colonized this book examines a field of many cultures and the creative interactions among them This study discusses from various perspectives Canadian cultural space as being in process of continual translation of both the other and oneself Les articles réunis dans Canadian Cultural Exchange changes culturels au Canada donnent de l'expérience transculturelle canadienne une image nuancée Plutôt que dans les termes d'une dichotomie biculturelle entre colonisateur et colonisé le Canada y est vu comme champ où plusieurs cultures interagissent de manière créative Cette étude présente sous de multiples aspects le processus continu de traduction d'autrui et de soi-même auquel l'espace culturel canadien sert de théâtre **Gérer une revue de presse** Lise
