Clean Break A Kate Brannigan Mystery:

Clean Break (PI Kate Brannigan, Book 4) Val McDermid, 2009-05-22 The fourth riveting thriller in the Kate Brannigan series from No 1 Sunday Times bestseller Val McDermid The Queen of Crime is still at the top of her game Independent **Clean Break** Val McDermid, 2011 **Clean Break** Val McDermid, 1995 British private detective Kate Brannigan investigates the theft of a Monet from a home for which she had arranged the security **Clean Break** Val McDermid, 1995 Manchester based private eye Kate Brannigan's fourth case finds her taking on the hard men of European organized crime and clearing up a messy trail of bodies across the North West **British Women Mystery Writers** Mary Hadley, 2015-10-02 Many aspects of British detective fiction are intriguingly different from the American detective fiction And confusingly many of the British women detectives who have made it to American television are far from typical of the latest women detectives This work is a study of British detective fiction with female protagonists written by women Authors included are P D James Jennie Melville Liza Cody Val McDermid Joan Smith and Susan Moody Special attention is paid to the evolution of the British female sleuth from the 1960s to the year 2000 particularly the 1980s and how this shaped and altered detective fiction Also discussed is the effect of the British judicial system and gun laws on detective fiction and real life the types of crimes women detectives usually investigate why certain directions have been taken and which ones may be taken in the future issues being raised by the authors and new women authors of detective fiction with female protagonists

Bowker's Guide to Characters in Fiction 2007, 2008-02 *Mystery Women, Volume Three (Revised)* Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 *Crack Down & Clean Break* Val McDermid, 2018-07-17

Two novels starring a tough PI in Manchester England from an author known for crime writing of the very highest order The Times There was only one reason Manchester based private eye Kate Brannigan was prepared to let her boyfriend help out with the investigation into a car sales fraud Nothing bad could happen In Crack Down Kate learns once again that with Richard you have to expect the unexpected This time the unexpected is that he s currently behind bars so Kate will be looking after his eight year old while at the same time being dragged into a world of drug traffickers gangland enforcers and the worst the criminal element has to offer And in Clean Break Kate is not amused when thieves have the audacity to steal a Monet from a stately home where she s arranged security She s even less thrilled when the hunt for the thieves drags her on a treacherous foray across Europe as she goes head to head with organized crime And as if that isn t enough a routine industrial case starts leaving a trail of bodies across the Northwest Unfortunately cleaning up this mess will mean confronting some truths about her own life
