Evan J. Mandery

Capital Punishment The Death Penalty Debate Issues In Focus:

Capital Punishment in America Evan Mandery, 2011-02-28 This revised and updated second edition is an overview of capital punishment It offers an examination of the death penalty supported by statistics and Supreme Court cases and followed by pro and con discussions The book addresses every major issue relating to the death penalty including deterrence racial impact arbitrariness its use on special populations and methods of execution This text challenges students to evaluate their beliefs and assumptions on each of the various issues surrounding this controversial subject Each chapter begins with a primer of the issue to be discussed followed by the data and critical documents necessary to make an educated assessment and concludes with essays that offer differing viewpoints by some of the best minds in the country New material added to the second edition includes updated data on deterrence new data and articles on brutalization and cost new cases and articles on the death penalty for juveniles new case and articles on the death penalty for raping a child and a new chapter on methods of execution

The Death Penalty Joseph A. Melusky, Keith A. Pesto, 2017-06-22 This book addresses the myriad controversies and examines the evidence regarding capital punishment in America It answers questions regarding topics like the efficacy of capital punishment in deterring violent crime the risks of mistakes legal issues related to capital punishment and the monetary costs of keeping inmates on death row Does the possibility of being put to death deter crime Do the methods of execution matter Is it possible for a state ordered execution to be botched Are innocent people ever sent to death row Are there racial biases or other prejudices associated with the death penalty This book examines the history of capital punishment in the United States describes the significant issues events and cases and addresses the controversies and legal issues surrounding capital punishment making this important topic accessible to a wide range of readers The book presents both sides of the argument on whether capital punishment should continue or be abolished looking at the evidence regarding whether it is necessary for carrying out justice and deterring violent crime or whether the practice is inhumane ineffective biased in its application and costly Readers will gain insights into how capital punishment should be used if at all whether effective safeguards are in place to ensure that only the guilty receive the death penalty what crimes deserve this sentence whether juveniles or individuals with diminished mental capacity should ever be sentenced to death potentially viable alternatives to the death penalty and the hidden costs involved in our capital punishment system that make it so expensive The book also contains primary documents relevant to capital punishment such as excerpts from documents like the U S Constitution the Hittite case laws and the Code of Hammurabi as well as descriptions of and excerpts from key cases decided by the U S Supreme Court

Capital Punishment David L. Hudson Jr., 2023-06-15 Each entry in this essential collection of primary resources on capital punishment features an authoritative introduction and analysis that helps provide crucial context for understanding the evolution of law and public attitudes toward the death penalty in America from colonial times to the present Showcasing key primary documents that illuminate the ongoing debate and turbulent history of capital

punishment in the United States this collection gathers a wide range of fascinating and momentous documents including court decisions and transcripts legislation personal accounts and perspectives congressional testimony and government documents Since these documents reflect all political perspectives and messaging students will gain valuable insight into the evolution of public opinion and government policy on the death penalty in America To better understand these documents each primary source is prefaced with an introduction and followed by scholarly analysis These documents and accompanying analysis complement one another helping students gain a better and more accurate understanding of the viewpoints convictions and perspectives that have shaped American attitudes and practices toward capital punishment since the United States earliest days

The Decline of the Death Penalty and the Discovery of Innocence Frank R.

Baumgartner,Suzanna L. De Boef,Amber E. Boydston,2008-01-07 Since 1996 death sentences in America have declined by more than 60 percent reversing a generation long trend toward greater acceptance of capital punishment In theory most Americans continue to support the death penalty But it is no longer seen as a theoretical matter Prosecutors judges and juries across the country have moved in large numbers to give much greater credence to the possibility of mistakes mistakes that in this arena are potentially fatal The discovery of innocence documented in this book through painstaking analyses of media coverage and with newly developed methods has led to historic shifts in public opinion and to a sharp decline in use of the death penalty by juries across the country A social cascade starting with legal clinics and innocence projects has snowballed into a national phenomenon that may spell the end of the death penalty in America

Capital Punishment Evan J. Mandery,2005 An innovative comprehensive overview of capital punishment This book offers an objective policy oriented examination of the death penalty as practiced in the United States

Forensic Mental Health Assessments in

Death Penalty Cases David DeMatteo,2011-03-29 This text provides an essential road map to forensic mental health assessments in death penalty cases for students and practitioners The book integrates research with best practice recommendations yielding a solid foundation of information related to capital punishment death penalty litigation and more

Death Penalty on Trial Gary P. Gershman,2005-04-19 An extensive survey of the pros and cons evolution and current issues surrounding one of the hottest topics in today s social debates Death Penalty on Trial A Handbook with Cases Laws and Documents sifts through the rhetoric politics and emotion that characterize one of the most highly discussed yet least understood issues facing the United States today Placing the death penalty in a historical perspective with an emphasis on the last 50 years this case driven volume explains the legal theory that has perpetuated it and the judicial reasoning both pro and con behind such landmark Supreme Court cases as Furman v Georgia and The United States of America v Alan Quinones From the first Massachusetts Bay Colony execution and the inventions of the electric chair and gas chamber to DNA testing of inmates readers will learn how and why capital punishment continues to be so controversial

Capital Punishment

Peter Hodgkinson,William A. Schabas,2004-02-05 What are the critical factors that determine whether a country replaces

retains or restores the death penalty Why do some countries maintain the death penalty in theory but in reality rarely invoke it By asking these questions the editors hope to isolate the core issues that influence the formulation of legislation so that they can be incorporated into strategies for advising governments considering changes to their policy on capital punishment They also seek to redress the imbalance in research which tends to focus almost exclusively on the experience of the USA by covering a range of countries such as South Korea Lithuania Japan and the British Caribbean Commonwealth This valuable contribution to the debates around capital punishment contains contributions from leading academics campaigners and legal practitioners and will be an important resource for students academics NGOs policy makers lawyers and jurists

Imprisoned by the Past Jeffrey L. Kirchmeier, 2015 In 1987 the United States Supreme Court decided a case that could have ended the death penalty in the United States Imprisoned by the Past Warren McCleskey and the American Death Penalty examines the long history of the American death penalty and its connection to the case of Warren McCleskey revealing how that case marked a turning point for the history of the death penalty In this book Jeffrey L Kirchmeier explores one of the most important Supreme Court cases in history a case that raised important questions about race and punishment and ultimately changed the way we understand the death penalty today McCleskey's case resulted in one of the most important Supreme Court decisions in U S history where the Court confronted evidence of racial discrimination in the administration of capital punishment The case currently marks the last time that the Supreme Court had a realistic chance of completely striking down capital punishment As such the case also marked a turning point in the death penalty debate in the country Going back nearly four centuries this book connects McCleskey's life and crime to the issues that have haunted the American death penalty debate since the first executions by early settlers through the modern twenty first century death penalty Imprisoned by the Past ties together three unique American stories First the book considers the changing American death penalty across centuries where drastic changes have occurred in the last fifty years Second the book discusses the role that race played in that history And third the book tells the story of Warren McCleskey and how his life and legal case brought together the other two narratives

Interfaith Advocacy Katherine E. Knutson, 2014-02-05 Using the historic Minnesota state government shutdown of 2011 as a backdrop Interfaith Advocacy describes the work of the Joint Religious Legislative Coalition an interfaith advocacy group that brings together leaders from Catholic Protestant Jewish and Muslim traditions to advocate on behalf of a range of policies As the nation's first statewide interfaith lobbying group the story of the JRLC facilitates an examination of the role of political advocacy groups in state level American politics what they are how and why they form how they mobilize citizens to participate in the political process how they work to influence government and what their impact is on American democracy With research based on two years of in depth interviews participant observation and analysis of archival records this volume offers proof that it is possible to build successful long term political coalitions among improbable allies The book investigates both the strengths and weaknesses of this model of advocacy and concludes

that the presence of religious advocacy groups in the political process offers substantial benefits of representation concern for underrepresented issues and groups and the development of networks of social capital Interfaith Advocacy is grounded in the theoretical literature of political science but also accessible to all readers who have an interest in political advocacy state politics or religion and politics
