1863.

Commander Chief Proclamation Emancipation Executive

Grosvenor Porter Lowrey

Commander Chief Proclamation Emancipation Executive:

The Commander-in-chief: a Defence Upon Legal Grounds of the Proclamation of Emancipation Grosvenor Porter Lowrey, 1863 **Lincoln and the Triumph of the Nation** Mark E. Neely Jr., 2011-11-21 The Civil War placed the U S Constitution under unprecedented and to this day still unmatched strain In *Lincoln and the Triumph of the Nation* Pulitzer Prize winning historian Mark Neely examines for the first time in one book the U S Constitution and its often overlooked cousin the Confederate Constitution and the ways the documents shaped the struggle for national survival Previous scholars have examined wartime challenges to civil liberties and questions of presidential power but Neely argues that the constitutional conflict extended to the largest questions of national existence Drawing on judicial opinions presidential state papers and political pamphlets spiced with the everyday immediacy of the partisan press Neely reveals how judges lawyers editors politicians and government officials both North and South used their constitutions to fight the war and save or create their nation *Lincoln and the Triumph of the Nation* illuminates how the U S Constitution not only survived its greatest test but emerged stronger after the war That this happened at a time when the nation s very existence was threatened Neely argues speaks ultimately to the wisdom of the Union leadership notably President Lincoln and his vision of the American nation *Lincoln's American Dream* Kenneth L. Deutsch, 2012 Despite the voluminous literature on the central figure in American history no other book in the field of political science compares to *Lincoln s American Dream* It addresses comprehensively the overarching themes of Lincoln s political thought and leadership through provocative and divergent interpretations from leading scholars Each chapter is devoted to one of these major themes about Lincoln The Declaration and equality Political ambition Race and slavery His democratic political leadership Executive power Religion and politics The Union and the role of the state The book s thirty three contributors include such respected Lincoln scholars and political commentators as Harry V Jaffa Stephen B Oates Mark E Neely Richard C Current Herman Belz and Frank J Williams With an introduction by Kenneth L Deutsch and Joseph R Fornieri *Lincoln s American Dream* will be of enduring interest to scholars students teachers and Lincoln aficionados alike and will attract interest in the fields of American history leadership religion and culture American studies and African American studies **The Lincoln Enigma** Asif Ahmed Srabon, 2023-09-10 The *Lincoln Enigma* Unraveling History s Hero takes readers on a captivating journey through the life of one of America s greatest presidents Abraham Lincoln Authored by Asif Ahmed Srabon this book delves deep into the enigmatic character of Lincoln exploring his humble beginnings his meteoric rise in politics and his pivotal role in the tumultuous times of the Civil War *Journal ...* Missouri. General Assembly. House of Representatives, 1863 **In Lincoln's Hand** Harold Holzer, Joshua Wolf Shenk, 2013-03-13 On the occasion of the 200th anniversary of Abraham Lincoln s birth and in conjunction with the Library of Congress 2009 Bicentennial Exhibition *In Lincoln s Hand* offers an unprecedented look at perhaps our greatest president through vivid images of his handwritten letters speeches and even childhood notebooks many never before made

available to the public Edited by leading Lincoln scholars Joshua Wolf Shenk and Harold Holzer this companion volume to the Library of Congress exhibition offers a fresh and intimate perspective on a man whose thoughts and words continue to affect history To underscore the resonance of Lincoln s writings on contemporary culture each manuscript is accompanied by a reflection on Lincoln by a prominent American from the arts politics literature or entertainment including Toni Morrison Sam Waterston Robert Pinsky Gore Vidal and presidents Carter George H W and George W Bush While Lincoln s words are quite well known the original manuscripts boast a unique power and beauty and provide rare insight into the creative process In this collection we can see the ebb and flow of Lincoln s thoughts emotions hopes and doubts We can see where he paused to dip his pen in the ink or to capture an idea We can see where he added a word or phrase and where he crossed out others searching for the most precise and concise expression In these marks on the page Lincoln s character is available to us with a profound immediacy From such icons as the Gettysburg Address and the inaugural speeches to seldom seen but superb rarities here is the world as Lincoln saw and shaped it in words and images that resound to this very day

Multicultural America Carlos E. Cortés, 2013-08-15 This comprehensive title is among the first to extensively use newly released 2010 U S Census data to examine multiculturalism today and tomorrow in America This distinction is important considering the following NPR report by Eyder Peralta Based on the first national numbers released by the Census Bureau the AP reports that minorities account for 90 percent of the total U S growth since 2000 due to immigration and higher birth rates for Latinos According to John Logan a Brown University sociologist who has analyzed most of the census figures The futures of most metropolitan areas in the country are contingent on how attractive they are to Hispanic and Asian populations Both non Hispanic whites and blacks are getting older as a group These groups are tending to fade out he added Another demographer William H Frey with the Brookings Institution told The Washington Post that this has been a pivotal decade We re pivoting from a white black dominated American population to one that is multiracial and multicultural Multicultural America A Multimedia Encyclopedia explores this pivotal moment and its ramifications with more than 900 signed entries not just providing a compilation of specific ethnic groups and their histories but also covering the full spectrum of issues flowing from the increasingly multicultural canvas that is America today Pedagogical elements include an introduction a thematic reader s guide a chronology of multicultural milestones a glossary a resource guide to key books journals and Internet sites and an appendix of 2010 U S Census Data Finally the electronic version will be the only reference work on this topic to augment written entries with multimedia for today s students with 100 videos with transcripts from Getty Images and Video Vault the Agence France Press and Sky News as reviewed by the media librarian of the Rutgers University Libraries working in concert with the title s editors

The Presidency in the Constitutional Order Joseph M. Bessette, Jeffrey Tulis, 2017-07-12 This classic collection of studies first published in 1980 contributes to the revival of interest in the powers and duties of the American presidency Unlike many previous books on the constitution and the president the contributors to

this volume are political scientists not law professors Accordingly they display political scientists concern with structures as well as power with conflict between the branches of government as well as their functional separation and with political prescription as well as legal analysis Underlying the entire volume is a persistent attention to the nature of executive power and its particular manifestation in the American system Part One introduces the foundations that underlie contemporary issues including the famous James Madison Alexander Hamilton debate over the powers of the presidency Contemporary political and scholarly controversies which are the subjects of Part Two include the constitutionality of the War Powers Resolution of 1973 the legislative veto executive privilege and secrecy the character of the presidency presidential selection and the nature of executive power The essays in *The Presidency in the Constitutional Order* represent some of the most cogent thought available about the highest elected office in America and the themes of the volume continue to be timely and provocative Presidential Constitutionalism in Perilous Times Scott M. Matheson, 2009-02-16 Presidents have exercised extraordinary power to protect the nation in ways that raised serious constitutional concerns about individual liberties and separation of powers Evaluating a variety of constitutional perspectives Matheson achieves a deeper understanding of wartime presidential power *The Church and the Rebellion Against the Government of the United States* Robert Livingston Stanton, 1864
