Commentaries Christian Life John Calvin:

Golden Booklet of the True Christian Life John Calvin, 2004-12-01 In this classic devotional John Calvin urges readers to apply the Christian life in a balanced way to mind heart and hand Rather than focusing on contemplative otherworldliness the book stresses the importance of a devotedly active Christian life In style and spirit this book is much like Augustine's Confessions Bunyan's Pilgrim's Progress or Thomas Kempis's Imitation of Christ However its intense practicality sets it apart making it easily accessible for any reader seeking to carry out Christian values in everyday life Chapter themes include obedience self denial the significance of the cross and how we should live our lives today

Commentaries on Christian Life John Calvin, Thomas Norton, 2014-06-16 John Calvin 10 July 1509 27 May 1564 was one of the most influential Christians of the last millennium An influential French theologian and pastor during the Protestant Reformation Calvin was a principal figure in the development of the system of Christian theology later named after him Calvin broke from the Roman Catholic Church around 1530 and after religious tensions provoked a violent uprising against Protestants in France Calvin fled to Switzerland where he published the first edition of his most famous work Institutes of the Christian Religion in 1536 In addition to the Institutes he wrote commentaries on most books of the Bible as well as theological treatises and confessional documents Calvin was influenced by the Augustinian tradition which led him to expound the doctrine of predestination and the absolute sovereignty of God in salvation of the human soul from death and eternal damnation These writings eventually led to Calvinism which continues to remain a branch of Christianity today

John Calvin's Doctrine of the Christian Life John H. Leith, 2010-03-01 In this thorough investigation of Calvinist doctrine John Leith defines the Reformer's teaching on Christian life in the context of his theology He begins with a discussion of what it means to say that the purpose of Christian life is the glory of God He then discusses Christian life in relation to four aspects of Calvinist thought justification by faith alone providence and predestination history and the transhistorical church and society Leith's concluding statement summarizes the importance of this book Calvin's doctrine of the Christian life represents a magnificent effort to give expression to what it means to have to do with the living God every moment of one's life No interpretation of the sola gloria Dei only God's glory has been more vivid and dynamic than Calvin's For this reason he speaks to the needs of this generation which at least until recently has been more frequently concerned about the glory of humankind than that of God and which has fallen victim to many false gods and vicious ideologies Yet if Calvinism is to render its full service to our day it must be interpreted in the context of the shared faith of the total Christian community On the basis of Calvin's own principles no human statement of Christian faith can ever be final and must be continually reformed by the Christian community's apprehension of the word of God as revealed in Jesus Christ
