Shakespearean Adaptation, Race and Memory in the New World Joyce Green MacDonald, 2020-08-24 As readers head into the second fifty years of the modern critical study of blackness and black characters in Renaissance drama it has become a critical commonplace to note black female characters almost complete absence from Shakespeare's plays Despite this physical absence however they still play central symbolic roles in articulating definitions of love beauty chastity femininity and civic and social standing invoked as the opposite and foil of women who are fair Beginning from this recognition of black women's simultaneous physical absence and imaginative presence this book argues that modern Shakespearean adaptation is a primary means for materializing black women's often elusive presence in the plays serving as

a vital staging place for historical and political inquiry into racial formation in Shakespeare's world and our own Ranging geographically across North America and the Caribbean and including film and fiction as well as drama as it discusses remade versions of Othello Romeo and Juliet Antony and Cleopatra and The Taming of the Shrew Shakespearean Adaptation Race and Memory in the New World will attract scholars of early modern race studies gender and performance and women in Renaissance drama
