Allen, 2014-02-19 Symbol and psyche are twin concepts in contemporary symbolological studies where the symbol is considered to be a statement by the psyche The psyche is a manifold of conscious and unconscious contents and the symbol is their mediator Because Lorca's dramatic characters are psychic entities made up of both conscious and unconscious elements they unfold grow and meet their fate in a dense realm of shifting symbols In *Psyche and Symbol in the Theater of Federico Garcia Lorca* Rupert Allen analyzes symbolologically three dramatic works of Lorca He has found *Perlimplín* to be a good deal more complex in both psyche and symbol than it has been admitted to be *Yerma* involves psychological complications that have not been considered in the light of modern critical analysis and the symbolic reaches of *Blood Wedding* have until this book remained largely unexplored Lorca was no stranger to the agony of creation and this struggle sometimes appears symbolically in the form of his dramatic characters Both *Yerma* and *Blood Wedding*

reflect specific problems underlying the creative act for they are translations into the realm of sexuality of the creative turmoil experienced by Lorca the poet Perlman portrays the paradoxical suicide as a self murder born out of the futile attempt to create not a poem but a self Previous criticism of these three plays has been dominated by critical assumptions that are transcended by Lorca's own twentieth century mentality Allen's analysis provides a new view of Lorca as a dramatist and presents new material to students of symbology Motion Picture Story Magazine ,1945 *Billboard* ,1973-09-08 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends "This Sceptered Sway" Hugo Schwaller,1988
