Bernie Fineman - Original Motor Mouth Bernie Fineman, 2015-06-04 After being expelled from one school too many Bernie Fineman got a job in a garage when he was thirteen years old On his first day he hit the foreman across the face with a broom handle Fifty years later he's still working in garages and still has a fiery temper as anyone who has tried to cheat a customer or seen one of his many series for Discovery UK and Channel 5 will testify Not for nothing is Bernie called the Original Motor Mouth Growing up in the post war East End with a welder for a mother and a bear knuckle fighter for a father

life was tough in every sense But as well as toughness Bernie also inherited a determination and willingness to graft from his parents and despite leaving school with no qualifications Bernie has risen to become one of the most respected and famous mechanics in the UK This is the remarkable story of fifty years in the motor trade that has seen Bernie go from Kray Twins fixer to becoming indispensable to the Metropolitan Police via South Africa Bangladesh the jungles of Central America and more Dodgy motors and dodgy characters abound in this rollicking and unlikely ride **The Car Show** Nicolae Sfetcu,2014-04-27 This e book details the most interesting and important characteristics of the automobiles car maintenance styling features car body style the standard classification of the cars an history of the automobiles introduction in the automotive industry and the traffic code rules and signs An automobile usually called a car an old word for carriage or a truck is a wheeled vehicle that carries its own engine Older terms include horseless carriage and motor car with motor referring to what is now usually called the engine It has seats for the driver and almost without exception for at least one passenger The automobile was hailed as an environmental improvement over horses when it was first introduced Before its introduction in New York City over 10 000 tons of manure had to be removed from the streets daily However in 2006 the automobile is one of the primary sources of worldwide air pollution and cause of substantial noise and health effects
