Commissioner John Lawley:

Commissioner John Lawley Minnie Lindsay Carpenter, 1924 Women in God's Army Andrew Mark Eason, 2009-10-22

The early Salvation Army professed its commitment to sexual equality in ministry and leadership. In fact its founding constitution proclaimed women had the right to preach and hold any office in the organization. But did they? *Women in God's Army* is the first study of its kind devoted to the critical analysis of this central claim. It traces the extent to which this egalitarian ideal was realized in the private and public lives of first and second generation female Salvationists in Britain and argues that the Salvation Army was found wanting in its overall commitment to women's equality with men. Bold pronouncements were not matched by actual practice in the home or in public ministry. Andrew Mark Eason traces the nature of these discrepancies as well as the Victorian and evangelical factors that lay behind them. He demonstrates how Salvationists often assigned roles and responsibilities on the basis of gender rather than equality and the ways in which these discriminatory practices were supported by a male defined theology and authority. He views this story from a number of angles including historical gender and feminist theology ensuring it will be of interest to a wide spectrum of readers. Salvationists themselves will appreciate the light it sheds on recent debates. Ultimately however anyone who wants to learn more about the human struggle for equality will find this book enlightening. *The General* David Malco Bennett, 2003-12

Examines the founding and development of The Salvation Army as a major evangelistic agency in Victorian Britain and beyond and introduces his amazing family and a host of intriguing characters that served under the Army's banner along with the tragic death of Catherine. **Historical Dictionary of The Salvation Army** John G. Merritt, Allen Satterlee, 2017-10-06

The Salvation Army is an integral part of the Christian Church although distinctive in government and practice. The Army's doctrine follows the mainstream of Christian belief and its articles of faith emphasize God's saving purposes. Its objects are the advancement of the Christian religion, education, the relief of poverty and other charitable objects beneficial to society or the community of mankind as a whole. The Salvation Army was founded in London in 1865 by William Booth its first General and has continued growing ever since. In 2015 it celebrated its 150th anniversary and today it has a presence in 127 countries. This second edition of *Historical Dictionary of The Salvation Army* contains a chronology, an introduction, appendixes and an extensive bibliography. The dictionary section has over 300 cross referenced entries on its leaders, personalities, events, facts, movements and beliefs of The Salvation Army. This book is an excellent resource for students, researchers and anyone wanting to know more about The Salvation Army. **The War Cry**, 1958 **The Legacy Revealed** Niels Silfverberg, 2025-06-25
