Second Yellow John Smith, 2020-09-21 Second Yellow More Adventures of our Footballing Heroes brings you more funny fascinating and downright baffling tales gleaned by authors John Smith and Dan Trelfer from their unflagging research of over 240 footballer autobiographies Together they have pored through the works of genuine legends cult heroes and players they can only dimly recall from their 1983 Panini sticker albums to find stories and facts that will delight shock and confuse sometimes all at once There's the chairman who owned a ventriloquist's dummy called Algernon There's the Liverpool legend who set a team mate's wife's hair on fire There's the Arsenal star who confronted some innocent fans with a samurai sword

And there's the Ipswich hero who took on Sylvester Stallone in an arm wrestling contest possibly inspiring Stallone's half forgotten epic *Over The Top*. This book covers all the bases of the typical footballer's life: love, violence, gambling, horrific injury, banter. It's mostly banter and apparently pigeons. **This Is My Story** Paul Beasley-Murray, 2018-06-28. This is my story is an unusually fascinating account of one man's life. It is a story of the making of a man initially written with grandchildren in mind. Who was my grandfather? What kind of person was he? At another level it is a story of a growing faith, telling how amidst the ups and down of life he has remained a soft hearted pilgrim. At yet another level it is a story of the making of a leader who never stopped learning how to lead, care, preach and engage in effective mission. Perhaps even more significantly it is also a story of a ministry in which the author never lost his sense of delight and privilege in his calling to be a pastor. Finally as one who has at times been at the center of controversy it is an opportunity to tell my side of the story. This is a book for pastors and for any Christian who wants the inside story of the pains and triumphs of a Christian leader. My Story... From Humble Beginnings to Professional Success James M. Durant III, Jeffrey M. Allen, 2024-08-28. Practical and authentic, this essential career handbook provides every young person with inspiration and practical pathways to overcome socio-economic adversity and achieve their career ambitions. Written by an impressive group of senior professionals who have excelled despite seemingly insurmountable circumstances including barriers such as racism and economic hardship, this book provides the roadmap to professional career success. With students and graduates from diverse and economically adverse backgrounds specifically in mind, the book breaks from the notion that one has to become a superstar, a Supreme Court Justice, a movie star or an internationally famous athlete to be successful. It provides a grounded and realistic approach to achieve social, economic and professional advancement for the majority of college students. High level professionals and leaders in industry, government, non-profit, education, medicine, military and the law share their unique stories, each filled with spirit, hope, advice, success strategies and approaches to dealing with failures along the way. The book offers direction and guidance for self-determination and professional development while also inspiring excellence in organizational leadership and management with a focus on leadership character and tangible skills. This is essential reading for college students and graduates from all backgrounds with a focus on underrepresented groups in particular. It will also benefit instructors, professors and professionals in higher education as well as leaders in the public, private and third sectors who are focused on uplifting students and recent graduates of adverse and diverse backgrounds. *Revealing My Story* Dr. Christine Landry Elliott, 2022-04-08. Christine started life as a church girl who abandoned her religious upbringing. She ended up a high school dropout, drug addict, criminal and victim of sexual assault. Her crooked path continued when she landed in prison. Through it all her mother prayed. The power of her mother's faith interceded on Christine's behalf when she had lost all hope. *Revealing My Story* is told with total transparency. Part memoir and part testimony about the saving grace of God, this book will inspire others who have sinned. Do not lose hope because you too can be born again. Christine's painful story is also intended to

inspire and encourage mothers whose children have strayed away from their Christian values Christine's mother held onto the horns of the altar fasting wailing and travailing on her behalf Her mother's prayers and unconditional love transformed Christine's life by the grace of God Don't give up No matter how difficult don't stop praying The Lord is listening and ready to save you from yourself *My Story* Dennis Kidd,2018-10-17 Selected moments from the life of Dennis Kidd Lecturer Teacher Naval Officer Sportsman family man *My Autobiography* Dr. B.R.
