Common Core for the Not-So-Common Learner, Grades K-5 Maria G. Dove, Andrea Honigsfeld, 2013-03-13 The strategies you need to teach common standards to diverse learners The elementary years are a critical opportunity to help students of all backgrounds meet the demands of the Common Core Standards In this realistic thorough book Maria Dove and Andrea Honigsfeld show how to help every K 5 student including English Learners students with disabilities speakers of nonstandard English and other struggling learners meet the Common Core Standards for English Language Arts ELA Educators will find an adaptable approach that ensures all students develop lasting language skills This resource Familiarizes readers with each of the Common Core s 32 ELA anchor standards Outlines the specific skills that students need to master each standard Presents a wealth of flexible teaching strategies and instructional tools aligned to each anchor standard Includes guidance on collaboration and co teaching for student success Common Core for the Not So Common Learner is the standards based ELA resource that elementary teachers have been waiting for Each anchor standard in all five domains is fully explained with practical engaging activities that can add fun and learning to any classroom Readers will feel supported and energized for the challenges ahead with a toolkit for meeting the needs of all learners Elizabeth Gennosa English AIS Teacher Sagamore Middle School Holtsville NY Here s a resource that will make your teaching life easier and support those learners in your classroom who worry you the most Dolores Hennessy Reading Specialist Hill and Plain School New Milford CT

Kindergarten and the Common Core Kathy Brown, Sarah Martino, 2014-01-01 How do we teach with rigor to our youngest learners How do we implement standards that spell out quite clearly what students must know but do not give us either the methods or materials that help our students achieve such skills This professional resource provides practical routines and developmentally appropriate activities that foster an environment where our youngest learners can thrive in mastering core kindergarten content along with the Common Core standards The routines and activities in this book have been thoroughly classroom tested and aligned with best practices The authors show you how to create a magical kindergarten environment that creates a community of confident learners full of excitement and enthusiasm **More Than Letters, Standards**

Edition Sally Moomaw, 2020-08-25 For decades early childhood educators in high quality programs have understood that the transition into reading and writing occurs naturally when young children are surrounded by opportunities to interact with print in ways that are meaningful to them The original edition of *More Than Letters* first published in 2001 showed teachers how to intentionally help children develop literacy skills through hands on play based activities Like the original edition the *Standards Edition* is based on theory and research It contains new chapters that specifically focus on developing the skills needed to decode literature and informational text Expanded chapters include activities that target specific concepts included in national literacy standards **The High-Performing Preschool** Gillian Dowley McNamee, 2015-05-04

Masterful presents a cogent and compelling picture of preschool programs serving low socioeconomic status students who achieve equity and excellence *Choice The High Performing Preschool* takes readers into the lives of three and four year old Head Start students during their first year of school and focuses on the centerpiece of their school day story acting In this activity students act out stories from high quality children's literature as well as stories dictated by their peers Drawing on a unique pair of thinkers Russian psychologist Lev Vygotsky and renowned American teacher and educational writer Vivian G Paley Gillian Dowley McNamee elucidates the ways and reasons this activity is so successful She shows how story acting offers a larger blueprint for curricula that helps ensure all preschools not just those for society's well to do are excellent McNamee outlines how story acting cultivates children's oral and written language skills She shows how it creates a crucial opportunity for teachers to guide children inside the interior logic and premises of an idea and how it fosters the creation of a literary community Starting with Vygotsky and Paley McNamee paints a detailed portrait of high quality preschool teaching showing how educators can deliver on the promise of Head Start and provide a setting for all young children to become articulate thoughtful and literate learners As McNamee demonstrates in detail a classroom is never simply a setting by engaging what is already there the students' ideas, imaginations, experiences, stories, relations and conversations it becomes a powerful source of development Luis C Moll University of Arizona **The Early Childhood Education Playbook** Kateri Thunder, John Almarode, Alisha Demchak, Douglas Fisher, Nancy Frey, 2022-09-21 Your playbook for truly impactful early childhood education Early childhood is a uniquely sensitive time when young learners are rapidly developing across multiple

domains Knowing which teaching strategies work best and when can have a significant impact on a child's development and future success both in school and beyond The Early Childhood Education Playbook examines how the Visible Learning research can guide our decisions as we plan teach document and partner with families and colleagues so that we can have the greatest possible impact on learning and development of children from birth to age 8 Each of the modules unpacks unique characteristics of early childhood environments as well as coherent practices that form a strong foundation for learning over time Filled with tools and methods to support a team as they work toward a common goal this playbook covers Teacher efficacy credibility and clarity Partnerships with families The importance of language Formative assessment and feedback How to ensure equity and inclusion Using these strategies teachers will discover how they can collaborate with young learners to encourage high expectations implement developmentally appropriate practices at the right level of challenge and focus on explicit success criteria Get started with this playbook and watch your young learners thrive
