

Revised SG use at grades 3-8

- The requirement to collect a writing work sample at grades 3-8 (and once in high school) remains.
- These samples are to be scored using the official state scoring guide or “comparable measures adopted by the district.”
- The timeline for transitioning to the Revised Writing Scoring Guide would be the same at all grades:
 - For 2016-2017, either the existing or the revised version of the writing scoring guide may be used
 - Beginning in 2017-2018, the revised scoring guide becomes the official scoring guide
 - The use of the revised scoring guide does **not** reflect an expectation of greater rigor, just stronger alignment to Common Core language.
