The AP PGECT PDF AP Post Graduate Engineering Common Entrance Test Electronics Communication Engineering Subject eBook Covers Objective Questions Asked In Various Competitive Exams With Answers Equitable Education and Ghettoized Voices June A. Douglas,2024-09-25 This book centres the voices of a group of marginalized residents in Grenada s ghetto to examine questions of poverty and survival and how within this context residents are able to focus on improvement and equity for their children through education As a developing nation in the Caribbean influenced by both its British colonial past and its proximity to the United States Grenada is still rife with poverty and access to quality education is limited The author examines this tradition of the ghetto as the centre of community and a force for positivity among youth and develops a theory of education and deficit poverty through examples of citizens living in a developing state Using functionalism life course and other systems theories the book examines how institutions can support communities and in contrast how families in poverty support themselves in the wake of system failure to the extent that some children become successful university graduates entrepreneurs and world travellers A cutting analysis of the development of equity through education in states left behind by colonialism and globalisation this book offers new understandings of survival and criminality caused by deficit poverty It will appeal to scholars faculty and researchers with interests in international education education and globalisation small island states life course theory systems theory and anthropology *MAH-B.Ed.
