Come, Lord Jesus John Piper,2023-01-24 Bestselling Author John Piper Examines End Times Theology and Scripture s Command to Love the Second Coming of Christ Many people are curious about the second coming of Christ what it will be like when it will happen and what signs will come first In his latest book Come Lord Jesus John Piper addresses all these issues but stresses that those who love the second coming of Christ will receive a crown of righteousness 2 Timothy 4 6 8

Piper examines key biblical texts around the second coming while encouraging readers toward a Spirit awakened affection for Jesus's return. He also explores important questions such as: Could Jesus come at any moment or must certain events happen first? What does it mean to Watch for you know neither the day nor the hour and What should we be doing when he comes? With a special focus on the teachings of Jesus, Paul and Peter, Come Lord Jesus portrays not only the glory of the revealed Savior but also the glorification of the resurrected saints. Essential Christ Exalting Eschatology Piper guides Christians to examine whether they long for the appearing of Christ and what this event will mean for Christians, non-Christians and for Christ himself. Careful Exegesis Piper pays close and precise attention to the words of Scripture especially with a view to showing how Jesus and Paul were of one mind about the second coming. Practical The final 5 chapters are devoted to how Christians should live in this age between the first and second appearing of Christ. Written by Bestselling Author John Piper, Author of Don't Waste Your Life, Desiring God and Providence. **The Bhagavad Gita**, 2000-04-25 The Bhagavad Gita is the most famous poem in all of Hindu literature and part of the Mahabharata, the ancient Indian epic masterpiece. The Gita in Sanskrit, Song of the Lord, consists of a dialogue between Lord Krishna and Prince Arjuna on the morning of a climactic battle. Krishna provides Arjuna with the spiritual means to understand his own nature so that he can take action and prevail. However, the larger canvas painted in the poem is that of the moral universe of Hinduism. As translator Eknath Easwaran, one of the world's premier teachers of meditation and spirituality, notes: The Gita does not present a system of philosophy. It offers something to every seeker after God of whatever temperament by whatever path. The reason for this universal appeal is that it is basically practical; it is a handbook for self-realization and a guide to action.

Student's Concordance to the Revised Version, 1881 Anonymous, 2024-04-10 Reprint of the original first published in 1882. **Breakthrough!** Saint Mary's Press, 2006 As the title suggests, Breakthrough: The Bible for Young Catholics highlights what happens throughout salvation history between God and humanity. God breaks through and connects with human history, thereby establishing a relationship with humanity. Using the Good News translation, Breakthrough: The Bible for Young Catholics was created for young people leaving childhood and entering adolescence. Its ten special features were created to help make the Bible easier for young people to read and understand. They will learn about the great people of the Bible and will see how God has been breaking through in human history and connecting with humanity for thousands of years. Most important, they will discover in the Bible how God's messages to key people of faith have meaning for life today. **The Student's Concordance to the Revised Version, 1881, of the New Testament of Our Lord and Saviour Jesus Christ**, 1882
