Christopher Dale Flannery Mr Rent a Kill But most shockingly of all Karlson s life story led Dapin to shed new light on a number of unsolved murders by two serial killers The result is an extraordinary deeply revealing portrait of Australian crime from the 60s to the 2010s a portrait of carnage Mark Dapin could never be accused of glorifying crime but he is guilty as sin for understanding it Inhabited by flawed humans filled with violence humour tears and dreams Carnage is a classic Australian crime story Gary Jubelin author of I Catch Killers True crime at its grim and richly entertaining best and let s face it its truest Robert Drewe author of The Shark Net If ever there was a book crammed with colourful villains who are mad bad and dangerous to know it s definitely Mark Dapin s extraordinary book Carnage Kate McClymont author of He Who Must Be Obeid Carnage is a window into Australian mayhem killingly funny and beautifully told Dapin finds pathos in a twisted world Matthew Spencer author of Black River Carnage begins by probing what seems a minor curiosity an internet meme centred on a colourful character then takes a turn into the lives of traumatised youths hurled without care or thought into brutalising reformatories From there they graduate to rorts robberies violence Bleak lives interspersed with occasional forays into squaresville spouses kids even jobs and attempts at betterment via theatre and literature A unique deeply felt take on the Australian underworld Peter Doyle author of Crooks Like Us The moment I start reading anything by Mark Dapin I m captivated intrigued and engaged for the entire journey There is no finer writer documenting the history and characters of Australian criminality Stuart Coupe [Gangland Sydney](#) Susanna Lobeze,James Morton,2011-07-01 Gangland Sydney details the exploits of an unforgettable cast of villains crooks and mobsters who have defined the criminal and gangland scene in Sydney from the mid 1800s to the present day In this compelling book Britain s top true crime author James Morton and barrister and legal broadcaster Susanna Lobeze track the rise and fall of Sydney s standover men contract killers robbers brothel keepers biker gangs and drug dealers and also examine the role of police politicians and lawyers who have helped and hindered the growth of these criminal empires Vivid and explosive Gangland Sydney is compulsive reading **Lapd Chronicles** Hank Foresta,2013-12-06 This book is a seldom told true story of some of the law enforcement heroes They worked long and hard in incredibly dangerous and uncomfortable situations fighting the war on drugs which no one but them ever expected They started before there was a declaration of war From personal and professional experience they knew that this country its people its institutions its economy and its leadership in the free world were in peril They saw the growing menace to our kids to our schools and even to law enforcement Someone had to fight back with uncommon valor and dedication More than four thousand three hundred people have been killed in the last year and a half Police stations have been bombed and officers have been shot and killed in police facilities Some police officials have been kidnapped shot gangland style tortured and even beheaded Police and government officials at the highest levels have been the object of assassination and along with their bodyguards shot and killed In one city thirteen people were shot and killed in one evening and left dead in the street In another city sixteen people including a twelve year old girl were shot The government sent in

The Fading Flower Nemen M. Kpahn, 2014-10-28

Liberian President Roberts is seen as too non aligned and he appears to be drawing his nation away from its traditional United States sphere of influence a dangerous strategy in the 1970s during the Cold War Maxwell Forkpa and Samuel Dahn two young and dashing military men are influenced by the Americans to overthrow the civilian government Capitalizing on historical divisions between the Settlers and tribal Liberians the successful coup is initially welcomed by the vast majority of Liberians especially when the coup makers pledge to return the country to civilian rule Soon the friends who staged the coup are torn by ambitions and rivalries and they become bitter enemies Forkpa is tempestuous and is charmed by life at the top as head of state Enamored by the presidency he is determined to cling to power at all cost Dahn is a cool professional soldier who though charmed by life in the limelight wishes for a return to true civilian rule devoid of military men who have exchanged their uniforms for suits In the clash between the two Dahn is forced to flee Liberia Finding himself in involuntary exile Dahn becomes obsessed with removing Forkpa his archrival from power in an aggressive manner This sets the stage for a violent conflict which will drag the two men and their nation down into the abyss of anarchy
