Tomorrow's Promise Natalie R. Vice, 2020-06-22 About three fourths of the way through our life's journey we suddenly stop We stop to ponder all the what if

s What if Jo had never joined the military What if Gina hadn't gotten pregnant What if their choices hadn't taken them in completely opposite directions with completely different lives The young girls of Polk Ridge Arkansas reunite in Tomorrow's Promise to pick up the pieces of a friendship long ago abandoned Jo an Air Force Major and world traveler has returned home Gina never left That careless friend request on Facebook is about to have lasting consequences Memories of Tomorrow Natalie R. Vice, 2020-06-16 Can friendship last a lifetime Everyone says that hindsight is 20/20 If that's true how much of that image in the rear view affects who we are today or who we will become tomorrow Jo Felsenthal and Gina Ingram were the closest of childhood friends back in Polk Ridge Arkansas Growing up in this beautiful close knit Ozark community they were surrounded by love and laughter But as these girls grew into women choices were made and life took them in very different directions Now they're just hours away from a reunion several decades in the making An out of the blue Facebook friend request has snowballed into a face to face meeting Both women are dealing with mixed emotions excitement nostalgia and more than a little apprehension In Memories of Tomorrow Jo and Gina weave their way through childhood memories and difficult life choices They ponder how to cross over all their yesterdays to the girls they once were Can they find anything in common after so many years spent living such different lives If you like The Sometimes Sister and Hurricane Season you'll love the Women of the Ozarks Scrapbook Series Harper's Bazaar, 1962 **Indianapolis Monthly**, 2006-01 Indianapolis Monthly is the Circle City's essential chronicle and guide an indispensable authority on what's new and what's news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy's cultural landscape Daughters of the American Revolution Magazine Daughters of the American Revolution, 1991 Crossing Yesterday Natalie Vice, 2015-12-08 Jo and Gina spend their first summer together in over forty years They're revisiting the Ozark Mountains as well as the girls they used to be The few weeks that they've spent reacquainting themselves have shown both women that time and different circumstances have changed them They are now women with different ideals Different convictions And certainly different backgrounds Gina has spent her life amongst the mountains and mountain people Thanks to Jo's return to Polk Ridge she meets 3 of Regina's most influential friends Melvin Kroon and Max they are anti government rebellious libertarians They're also at odds with everything she has built her life around in the military The old couple is convinced the NSA is spying on the American people Jo's life in the military and then as an independent contractor for the Department of Defense leave her completely unprepared for her meeting with Max and Maxine So much so that there is an instant dislike of them Especially Max Jo's never had her rigid beliefs challenged There was never a need to see another point of view Gina's been exposed to so many different life styles and perspectives that she seems to be the embodiment of contradictions Days and months spent counseling the poor and drug addicted of Polk County has forced her to view life with an open mind and acceptance of people that Jo has long forgotten Just how far apart can two people be and still find common ground **TV Guide**, 2006 Who's
