Crossroads Intergroup Relations Interpersonal Interethnic:

At the Crossroads of Intergroup Relations and Interpersonal Relations Stanley O. Gaines, Jr., Eddie M. Clark, Stephanie Afful, Ann Bettencourt, 2016-01-05 This issue of JSI focuses on interethnic marriage Our objectives are to 1 discuss conceptual and methodological concerns 2 examine interethnic marital relationship processes especially through the lens of interdependence theory 3 review attitudes towards interethnic marriage 4 assess the clinical and policy implications and 5 synthesize the contemporary scholarship We draw upon the subject areas of intergroup and interpersonal relations including contributions from authors across various disciplines Given the status of interethnic marriage as a potential bellwether of social change in the United States we believe that the present edition is as timely as it is important

Modern Relationships Mahzad Hojjat, Anne Moyer, 2024 This volume compiles the latest research and theory on close relationships in the twenty first century from multi disciplinary and international perspectives with the intent of taking stock of the cultural political and legal changes that have shaped the relationship landscape Some of the important shifts that are captured are the rise of singlehood online dating and cohabitation the new importance of social media marriage equality and changes in gender norms New ways of forming families and unions via adoption assisted reproduction and remarriage are also covered as well as coupling across cultural racial religious and national lines

Crossing Mountains Phyllis Ngai, 2012-03-16 Collaboration among contemporary Native American communities and local public schools is vital for nurturing Native languages Although public schools cannot bear the entire burden Native language education will remain on the margins without their support Using case studies of school districts on the Flathead Indian Reservation in Montana Crossing Mountains provides important insights about integrating Native language learning into public education Phyllis Ngai argues that carefully designed and inclusive Native language programs can benefit communities and students regardless of ethnic identity by providing for language revitalization and promoting intercultural competence Journal of Intergroup Relations, 2003

Introducing Language and Intercultural Communication Jane Jackson, 2019-10-10 Introducing Language and Intercultural Communication is a lively and accessible introduction for undergraduates who are new to the study of intercultural communication with a particular emphasis on the language dimension Incorporating real life examples from around the world and drawing on current research this text argues against cultural stereotyping and instead provides students with a skill building framework to enhance understanding of the complexities of language and intercultural communication in diverse international settings Readers will learn to become more attuned to power relations and the ways in which sociopolitical forces can influence language choice attitudes and the intercultural communication process Features new to this edition include revised in text discussion questions exercises and examples that aim to engage students and provide a more interactive experience new material that takes account of key social cultural and political events such as the refugee crisis Brexit and the rise of populism in many parts of the world updated theoretical constructs that reflect recent

trends in the area such as criticality in intercultural communication an updated companion website featuring suggested readings links to media resources and real world intercultural scenarios for students as well as additional in depth instructor resources featuring test materials PowerPoints key terms extended chapter outlines and sample assignments and syllabi refreshed references and glossary to enhance understanding of key terms and concepts This is the essential text for undergraduate students who are new to the field of intercultural communication The ^ASocial Psychology of Collective Victimhood Johanna Ray Vollhardt,2020-04-23 This book examines the social psychological processes involved in experiences of collective victimization and oppression as well as the consequences of these experiences for individuals and for relations within and between groups In twenty chapters authors explore questions such as How are experiences of collective victimization passed down and understood How do people cope with and make sense of these experiences Who is included and excluded from the category of victims and what are the psychological consequences of such denial versus acknowledgment of collective victimization And finally what are the ethics of researching collective victimization especially when these experiences are recent or politically contested **Immigrant Adaptation in Multi-Ethnic Societies** Eric Fong,Lan-Hung Nora Chiang,Nancy Denton,2013-03-05 As a result of international immigration ethnic diversity has increased rapidly in many countries not only in major cities but also in smaller cities This trend is not limited to the traditional immigrant receiving countries such as the United States and Canada but occurs also in many other countries where doors are gradually opening to immigration especially in Asia This combination of a growing immigrant population and ethnic diversity has fostered a more complex immigrant integration process This book addresses the subject at the city ecological level inter group level and individual level It contributes to the understanding of immigrant adaptation in a multi ethnic context brings Asian perspectives into the discussion of immigration and race and ethnic relations and will serve as a basis for future study of immigrant adaptation in a multi ethnic context *Crossing* Ben Rampton,2017-10-10 Focusing on urban youth culture and language crossing this foundational volume by Ben Rampton has played a pivotal role in the shaping of language and ethnic identity as a domain of study It focuses on language crossing the use of Panjabi by adolescents of African Caribbean and Anglo descent the use of Creole by adolescents with Panjabi and Anglo backgrounds and the use of stylized Indian English Crossing s central question is how far and in what ways do these intricate processes of language sharing and exchange help to overcome race stratification and contribute to a new sense of mixed youth class and neighbourhood community Ben Rampton produces detailed ethnographic and interactional analyses of spontaneous speech data and integrates the discussion of particular incidents with theories of discourse code switching social movements resistance and ritual drawn from sociolinguistics sociology anthropology and cultural studies Now a Routledge Linguistics Classic with a new preface which sets the work in its current context this book remains key reading for all those working in the areas of applied linguistics sociolinguistics and linguistic anthropology Social Psychology David E. Rohall,Melissa A.

Milkie, Jeffrey W. Lucas, 2021-05-19 Written by a team of sociologists this text introduces readers to social psychology by focusing on the contributions of sociology to the field of social psychology The authors believe sociology provides a unique and indispensable vision of the social psychological world in the theoretical perspectives that sociologists employ when studying human interactions and in the methodological techniques they utilize Within the pedagogically rich chapters topics are examined from the perspectives of symbolic interactionism social structure and personality and group processes The Psychology of Modern Dating Shawn Blue, 2020-01-17 The Psychology of Modern Dating Websites Apps and Relationships is a resource guide outlining the major observations of trends currently applicable to online dating via dating sites and apps This text outlines the theoretical foundation and evidentiary support for the motivations of online dating use as well as the shift witnessed within a new form of romantic relationship development created by online dating platforms This book will also examine the significance of self theory in the creation of online profiles as well as analyze the influence of factors including age gender sexual orientation and race and the roles they play in online dating interactions Future thoughts and directions for investigation will be offered as consideration for ongoing study
