

The Crucible

Act Three
Handout 6

Name _____

Date _____ Hour _____

Plot: Act Three

Plot is the series of events that make up the story. A lot happens in Act Three, and it is easy to get the order of things confused.

Directions: You may utilize a flow chart or simply write the events in order by connecting the following sequence of events. Together, the events form 1 to 25 with 1 being the first thing that happens and 25 being the last event. If enough events are happening in the middle and end of the act, the flow chart can be used to help you.

1. _____ John Proctor leaves the room. Abigail is pregnant.
2. _____ Proctor and Miller leave the courtroom.
3. _____ Abigail states that Mary has a meeting to be in the village of an evil deed.
4. _____ Abigail states that a well-wisher has been killed.
5. _____ The girls repeat Mary's words as an accusing theme.
6. _____ John Proctor admits to the crime of adultery.
7. _____ Reverend Hale quits the court.
8. _____ Abigail Proctor states her knowledge of John's adultery.
9. _____ John tells Abigail that he will not be a witness.
10. _____ Mary Proctor attempts to tell the truth.

The above events do not encompass all of the details involved in Act Three. You may add more details that take place in the act. Simply write the details inside the box above the sequence of events.

Additional Detail	Where is this in the sequence of events?
