Crucifying Morality The Gospel Of The Beatitudes:

Crucifying Morality R. W. Glenn, 2013 Christianity is not moralism Christianity is not religiosity Jesus was crucified because we are committed to saving ourselves by our religious stamina and moral efforts The Beatitudes in their simplicity are not commands to be followed principles to live by or attitudes to adopt They profile people who have crucified their own morality in Jesus death resurrection and rule The book walks through Matthew 5 1 12 where Jesus doesn't prescribe what ought to be in order to experience God's grace but describes what is true of people who understand the grace of God Group discussion questions included with each chapter Book jacket The Beatitudes in the Gospel of St John, Apostle of the Crucified Lord Gorman, Michael, 2017 THIS COMPREHENSIVE WIDELY USED TEXT by Michael Gorman presents a theologically focused historically grounded interpretation of the apostle Paul and raises significant questions for engaging Paul today After providing substantial background information on Paul's world career letters gospel spirituality and theology Gorman covers in full detail each of the thirteen Pauline epistles Enhancing the text are questions for reflection and discussion at the end of each chapter as well as numerous photos maps and tables throughout The new introduction in this second edition helpfully situates the book within current approaches to Paul Gorman also brings the conversation up to date with major recent developments in Pauline studies and devotes greater attention to themes of participation transformation resurrection justice and peace On Being a Disciple of the Crucified Nazarene Ernst Käsemann, 2010-05-03 In this book Ernst Käsemann celebrated initiator of the twentieth century New Quest of the Historical Jesus examines the problem of the relation between discipleship and faith Käsemann first tackles specific passages in the Synoptic Gospels dealing with the summons to discipleship He makes clear the relevance of the biblical message to human existence even today In the second half he explores how themes relating to specific contemporary problems fulfill that message Here is a theologian who is radically and passionately committed to discipleship of the crucified Jesus of Nazareth and who is not afraid to share that commitment **The Gospel of S. Matthew Illustrated, Chiefly in the Doctrinal and Moral Sense, from Ancient and Modern Authors. By the Rev. James Ford ... Second Edition**, 1859 Journal of Moral Theology, Volume 10, Special Issue 1 William C. Mattison, Matthew Levering, 2021-06-23 Introduction Trends in Post Vatican II Scholarship on Scripture and Moral Theology William C Mattison III On Pilgrimage with Abraham How a Patriarch Leads Us in Formation in Faith Jana M Bennett Joseph the Just and Matthew's Matrix of Mercy The Redefinition of Righteousness Jonathan T Pennington Repent for the Kingdom of Heaven is at Hand Mt 3 1 and 4 17 Conversion in the Gospel and the Christian Life Anton ten Klooster Those He Predestined He Also Called Romans 8 30 Aquinas on the Liberating Grace of Conversion Daria Spezzano Almsgiving as an Integral Practice of Repentance for Christian Discipleship The Gospel of Luke and Daniel 4 24 James W Stroud A Defense of the Command Counsel Distinction Based on Matthew 19 and 1 Corinthians 7 John Meinert Newness of Life and Grace Enabled Recovery from Addiction Walking the Road to Recovery with Romans 7 Andrew Kim **The Moral**

Damage of War Walter Walsh, 1906 **The Gospel of Matthew and Its Readers** Howard Clarke, 2003-08-07 The Gospel of Matthew and Its Readers is a biblical commentary with a difference Howard Clarke first establishes contemporary scholarship's mainstream view of Matthew's Gospel and then presents a sampling of the ways this text has been read understood and applied through two millennia By referring forward to Matthew's readers rather than back to the text's composers the book exploits the tensions between what contemporary scholars understand to be the intent of the author of Matthew and the quite different indeed often eccentric and bizarre ways this text has been understood assimilated and applied over the years The commentary is a testament to the ambiguities and elasticity of the text and a cogent reminder that interpretations are not fixed nor texts immutably relevant And unlike other commentaries this one gives space to those who have questioned rejected or even ridiculed Matthew's messages since Bible bashing like Bible thumping is a historically significant part of the experience of reading the Bible **The Cambridge Companion to the Gospels** Stephen C. Barton, Todd Brewer, 2021-08-19 Throughout the history of Christianity the four canonical gospels have proven to be vital resources for Christian thought and practice and an inspiration for humanistic culture generally Indeed the gospels and their interpretation have had a profound impact on theology philosophy the sciences ethics worship architecture and the creative arts Building on the strengths of the first edition The Cambridge Companion to the Gospels 2nd edition takes account of new directions in gospels research notably the milieu in which the gospels were read copied and circulated alongside non canonical gospels renewed debates about the sources of the gospels and their interrelations how central gospel themes are illuminated by a variety of critical approaches and theological readings the reception of the gospels over time and in various media and how the gospels give insight into the human condition Ethics in the Community of Promise James M. Childs, 1992 In this excellent and accessible introduction now in a second edition Childs helpfully articulates the shared features of Christian faith and shows how that communal commitment forms our values character virtues and eagerness to do what is right Who we are informs what we choose This dynamic dialogical basis for ethics is an open framework Childs applies it to a host of tough real life dilemmas such as affirmative action end of life decisions medical ethics truth telling environmental justice and war making Previously published by Fortress Press in 1992 as Faith Formation and Decision the new edition updates discussions throughout adds numerous cases and illustrations adds questions for discussion and items for further reading and contains a new section on courage
