Cruising In Seraffyn:

Cruising in Seraffyn Lin Pardey, Larry Pardey, 1992-01-25 The cruising tale is full of the sights and sounds the fragrances and native customs of foreign lands especially Central American and the Caribbean It is a story of a leisurely sail through the Gulf of Cortez and on through Panama Canal to the Azores and England Cruising in Seraffyn is also a carefully thought out guide to living aboard a small boat with fun and economy as the guide principles Four appendices provide data that is vital for anyone contemplating long distance cruising **Cruising in Seraffyn** Lin Pardey, Larry Pardey, 1986

Cruising in Seraffyn Lin Pardey, Larry Pardey, 2019-03 Let Cruising in Seraffyn introduce you to a special world The first of a four book series it is full of the sights sounds and people of Mexico Central America the Caribbean and the islands of the Atlantic Ocean Read how Lin and Larry built their wooden 24 foot engineless cutter and set off hoping for a few months of true freedom in spite of limited finances Share their excitement as they learn how to earn as they go and sail ever further afield These two persuasive sailor writers set out convincing arguments to get you chasing your dream sooner than you think be it exploring the world under sail or adventuring towards any new goal A favorite of sailors and armchair sailors for over four decades this book is more than a first rate tale and love story it is also a carefully thought out guide to living aboard a small boat with fun and good seamanship as guiding principles This tribute edition created by Lin to honor Larry includes a new foreword updated appendices and a color insert showing Seraffyn during her circumnavigation and afterwards under the guardianship of subsequent owners which proves that Larry really did build her to last for 50 years or more **Seraffyn's European Adventure** Lin and Larry Pardey, 1998 This second book in the Seraffyn cruising series begins with their arrival on the southwest coast of England where they coasted eastward stopping where fancy held them where good friends were made to winter at Poole and work to pay for the next leg of their voyage toward the Baltic Denmark Sweden Finland were full of welcoming and interesting people and an almost invisible bureaucracy But things were definitely different when they reached Poland where armed guards watched while the people greeted them with flowers fruits and sweets Their foray behind the Iron Curtain of the 1970 s introduced them to some of the people who lead the Solidarity Movement the force that eventually toppled the Soviet Union You'll be right on board as they weather a fierce mast under broach in a Baltic gale and through the wintry North Seas Here is a feast for the fantasies of stay at homes and a warm account of just two years of the lives of two people who have lived in a wide adventurous world for more than four decades Their motto Go Small Go Simple Go Now has encouraged thousands of other sailors to take the plunge And this book is an entertaining instruction manual on how to live a rich life on very little money Lin Pardey has in her deceptively simple and fresh faced style told the story of an unusual and appealing marriage partnership a special way of life Yachtsmen will enjoy the technical description of the problems of maneuvering in the tight harbours and unmapped channels the perils of heavy seas in a small boat But what is remarkable is that she can draw a nonsailor into these special subjects and make them as comprehensible and absorbing to a

landlubber as they would be to someone about to set out on the same itinerary in a small boat of his own R Sokolov NewYork Times Book Review **Seraffyn's Mediterranean Adventure** Lin and Larry Pardey,2010-06-09 Join Lin and Larry onboard their cruising cutter Seraffyn as they explore the history laden waters of the Mediterranean Sea For three years they meandered under sail eastward from the rocky monolith of Gibraltar to the imposing stone ramparts of Malta They share stories here of the kaleidoscope of people who filled their days along the way from the British military officers who joined them for races to the officials who turned them into smugglers not of drugs but of a boat full of yeast flower vegetables and propane and eventually twenty dollars worth of noodles Lin s warmhearted storytelling will draw you into their cruising life and reveal the secrets that kept this well known couple wandering the watery reaches of the world for more than forty years Lin and Larry paid for their apparent freedom by working along the way delivering and repairing yachts and writing for magazines around the world Their motto Go Small Go Simple Go Now has inspired thousands of potential voyagers to stop dreaming and set out to sea The Pardeys weave a tale of people and anecdotes that makes for marvelous armchair cruising If you ve read earlier works you won t be disappointed If youre new to the spell of the Pardeys this will surely hook you
