Avengers Epic Collection Steve Englehart, Roy Thomas, Jim Starlin, Gerry Conway, 2018-04-11 Collects Avengers 1963 115 128 Giant Size 1974 1 Defenders 1972 8 11 Captain Marvel 1968 33 Fantastic Four 1961 150 The Avengers battle the Defenders in comics first great crossover battle royale It's hero against hero in the sensational summer hit of 1973 Cap vs Namor Thor vs Hulk It's the original and there's never been another one like it All this plus the origin of Mantis an all hands on deck battle with the Zodiac the Avengers vs Thanos and the Cosmic Cube a Giant Size adventure alongside Golden Age heroes Miss America and the Whizzer the wedding of Quicksilver and Crystal the return of Ultron and an increasingly tense love triangle between the Scarlet Witch the Vision and Mantis And as an added bonus feature rare Avengers pinups profiles and more from the pages of the 70s fanzine FOOM

Neoliberal Aesthetics of Resistance in the Disney Star Wars

Films Abigail Reed, 2023-12-15 From 2015 to 2019 the Walt Disney Corporation has produced five theatrical films in the Star Wars galaxy. These films have been met with mixed reactions from audiences and critics alike and sparked seemingly endless public debate about representations of people of color, women, and queer people in 21st century popular film. This book explores the evolving discourse surrounding Disney's Star Wars films from a political economic perspective and through a lens focusing on the corporate representation of marginalized communities with an aim to critique neoliberal ethics of resistance against fascist regimes. Through exploring the characters of Saw Gerrera, Finn, Poe Dameron, and L3-37, Abigail Reed argues that Disney's utilization of diverse identities within the franchise is ultimately regressive. Rather than engaging with marginalized communities' histories or futures, Reed posits Disney uses these narratives to serve its private interests as an American global media conglomerate and undermine historically effective models of rebellion against imperialism in favor of a model of governance that centers Whiteness and the interests of the Global North.

Women in Popular Culture

Laura L. Finley, 2023-03-24 Including more than 300 alphabetically listed entries, this 2 volume set presents a timely and detailed overview of some of the most significant contributions women have made to American popular culture from the silent film era to the present day. The lives and accomplishments of women from various aspects of popular culture are examined, including women from film, television, music, fashion, and literature. In addition to profiles, the encyclopedia also includes chapters that provide a historical review of gender, domesticity, marriage, work, and inclusivity in popular culture, as well as a chronology of key achievements. This reference work is an ideal introduction to the roles women have played both in the spotlight and behind it throughout the history of popular culture in America. From the stars of Hollywood's Golden Age to the chart toppers of the 2020s, author Laura L. Finley documents how attitudes towards these icons have evolved and how their influence has shifted throughout time. The entries and essays also address such timely topics as feminism, the MeToo movement, and the gender pay gap.

A Companion to Media Fandom and

Fan Studies Paul Booth, 2018-02-26 A Companion to Media Fandom and Fan Studies offers scholars and fans an accessible and engaging resource for understanding the rapidly expanding field of fan studies. International in scope and written by a team that includes many major scholars, this volume features over thirty especially commissioned essays on a variety of topics which together provide an unparalleled overview of this fast growing field. Separated into five sections: Histories, Genealogies, Methodologies, Fan Practices, Fandom and Cultural Studies, Digital Fandom, and The Future of Fan Studies, the book synthesizes literature surrounding important theories, debates, and issues within the field of fan studies. It also traces and explains the social, historical, political, commercial, ethical, and creative dimensions of fandom and fan studies. Exploring both the historical and the contemporary fan situation, the volume presents fandom and fan studies as models of 21st century production and consumption and identifies the emergent trends in this unique field of study.
