Colossians And Ephesians Sacra Pagina Series:

Colossians and Ephesians Margaret Y. MacDonald, 2008 With updated bibliography Copyright page **Ephesians** Harold W. Hoehner, 2002-12 Destined to become the definitive commentary on Ephesians this resource combines detailed exegesis and extensive interaction with contemporary scholarship **Ephesians** Trevor Grizzle, 2020-01-29 This commentary written from a distinctively Pentecostal perspective is primarily for pastors lay persons and Bible students It is based upon the best scholarship written in popular language and communicates the meaning of the text with minimal technical distractions This author offers a running exposition on the text and extended comments on matters of special significance for Pentecostals He acknowledges and interacts with alternative interpretations of individual passages and his commentary also provides periodic opportunities for reflection upon and personal response to the biblical text Colossians and Ephesians Margaret Y. MacDonald, 2000 *Reading Ephesians* Minna Shkul, 2010-02-10 Minna Shkul examines how Ephesians engages in social entrepreneurship the deliberate shaping of emerging Christian Identity through provision of ideological and social paradigms for the fledgling Christian community Shkul uses social entrepreneurship as an umbrella for a variety of social processes reflected in the text This eclectic theoretical framework and deuterio Pauline reading position has two key aims The first is to offer a theoretically informed social scientific reading which demonstrates the extensive socio ideological shaping within the text and displays the writer s negotiation of different group processes throughout the letter The second is to examine emerging Christian identity in the text testing its ideological and social contours and its reforms upon Jewish traditions Crucially this is done without the theological presupposition that something was wrong with the Judaism practised at the time but rather by focusing upon the divine legitimating of the Christian group and its culture These readings of Ephesians examine how the writer engages in a self enhancing discourse that reinforces basic components of communality These include the construction of a positive in group identity and the provision of ideological and social legitimating for the community Shkul also discusses the textual reflection of communal relations in other groups in Greco Roman antiquity She examines how Christ followers are positioned in a Jewish symbolic universe which is forced to make room for Christ and his non Israelite followers Finally she explores the attitude toward non Israelites within Ephesians and their need for re socialization *Modern Catholic Family Teaching* Jacob M. Kohlhaas, Mary M. Doyle Roche, 2024 This volume features academic commentary on the key magisterial texts that constitute the sources of contemporary Catholic teaching on the family Although Catholic Family Teaching CFT emerged and has developed in parallel with Catholic Social Teaching CST its documentary heritage has neither been explored in a parallel fashion nor to a similar academic depth This volume redresses this imbalance by collecting outstanding commentaries and interpretations of the primary texts and key theological and historical developments in a first of its kind critical engagement with the documentary tradition of CFT Each chapter engages a moment in this tradition of teaching in order to invite critical academic engagement with CFT a topic that

increasingly bears weight across diverse areas of theological and ethical consideration By offering a clear understanding of the tradition s growth in the previous 130 years the volume equips scholars and students of theology to engage the pressing questions of our time **The Incorporation of the Triune God in Himself and with His Believers** Kerry S.

Robichaux,2023-07-04 Incorporation refers to the joint concept of the mutual indwelling of the Father the Son and the Spirit and Their mutual working together as one These two concepts are not new in Christian thought but they are overlooked by many Christian teachers and writers today and consequently by many Christians in general The effect of this omission is that many common believers if not their teachers fall easily into the mistaken view that the three of the Divine Trinity exist separably act separably and therefore are separably three Gods even though most know better than to say so This book is at one level a reaction to that mistaken view because the writers of the New Testament were very far from it in their concept and utterance But at stake is not just the Trinity as the capital teaching of the Christian faith if that were not enough to be concerned about The essence of true Christian experience is also greatly affected by our understanding of how the Triune God is in Himself and how He acts in Himself for according to the New Testament the essence of the believers life and living is the extension of the Triune God s mutual indwelling and mutual working together as one within them Thus at another level this book is a reaction to a merely moral and ethical view of the Christian life because again the writers of the New Testament present the Christian life more profoundly as the believers incorporation of the Triune God who lives and operates within them The content of this book is a careful consideration of the incorporation of the Triune God in Himself and with His believers as evidenced textually in the New Testament particularly the Gospel of John through the Epistle of Jude

Reading the Letters of Saint Paul Thomas, Carolyn,2002 Paul s message which is as relevant now as it was in the first century will edify and inspire us to a more intimate relationship with God **Early Christian Families in Context** David L. Balch,Carolyn Osiek,2003 Typical studies of marriage and family in the early Christian period focus on very limited evidence found in Scripture This interdisciplinary book offers a broader richer picture of the first Christian families by drawing together research by experts ranging from archaeologists to ancient historians By exploring the nature of households in the ancient Greco Roman world the contributors assemble a new understanding of ancient Christian families that is both compelling and instructive Divided into six parts the book covers key aspects of ancient family life from meals and child rearing to women s roles and the lives of slaves Three concluding chapters explore the implications of all this information for theological education today Contributors David L Balch Suzanne Dixon J Albert Harrill Ross S Kraemer Christian Laes Peter Lampe Amy Jill Levine Margaret Y MacDonald Dale Martin Eric M Meyers Margaret M Mitchell Carolyn Osiek Beryl Rawson Richard Saller Timothy F Sedgwick Monika Trummer Andrew Wallace Hadrill *The Forensic Case For Five Fold Leadership* Melvin T. Hayes,2022-04-26 At Jesus s birth angels rejoiced singing Glory to God in the highest and on earth peace among men Luke 2 14 Satan on the other hand trembled for he suspected the reason for Jesus s arrival He came to

destroy the devil's work 1 John 3:8 When humanity crucified God's Son Satan believed the turn of events tipped in his favor So he thought The Forensic Case for Fivefold Leadership reveals how the Lord has gifted his people with supernatural tools to prepare God's people for works of service so that the body of Christ may be built up until we all reach unity in the faith and in the knowledge of the Son of God and become mature Eph 4:12-13 NIV
