Critical Theory and Educational Research Peter McLaren, James M. Giarelli, 1995-03-30 Applies European critical theory to North American educational research Multicultural Education, Critical Pedagogy, and the Politics of Difference

Christine E. Sleeter, Peter McLaren, 1995-01-01 This book explores and expands upon linkages between multicultural education and critical pedagogy drawing on the shared goal of challenging oppressive social relationships **Critical Pedagogy, the State, and Cultural Struggle** Henry A. Giroux, Peter L. McLaren, 1989-07-03 Schools have been traditionally defined as institutions of instruction but the authors of this volume challenge that position in order to generate a new set of cultural categories and constructs through which the nature and process of schooling can be more appropriately understood Giroux and McLaren develop a theory of schooling that takes into account not only the more traditional relationship between teaching and learning but also the import of wider cultural dynamics such as language mass culture popular culture the state theories of readership ethnographic research and subcultural studies *Critical Theory and Educational Research* Peter L. McLaren, James M. Giarelli, 1995-03-30 The contributors to this anthology bring North American research traditions into conversation with the latest advances in French German British and Latin American schools of social thought Challenging the very precepts of many empirical and analytical approaches to understanding educational phenomena this collection of essays is indispensable for educators wishing to understand present philosophical debates The future of educational research in the United States will largely depend on how teachers and researchers deal with the urgent issues raised in this timely and iconoclastic book **Resources in Education** , 2000-10 **Social Theory and Education** Raymond Allen Morrow, Carlos Alberto Torres, 1995-01-01 This book summarizes and critiques theories of social and cultural reproduction as they relate to sociology of education *Elementary Schooling for Critical Democracy* Jesse Goodman, 1992-02-06 This book examines the way in which elementary schooling can be used as a means to encourage critical democracy in the United States It focuses primarily on the dialectical tensions and issues that emerge from the conflicting values of individuality and community through a portrayal of an independent elementary school committed to democratic education **Postmodernism, Feminism, and Cultural Politics** Henry A. Giroux, 1991-01-01 This book introduces central assumptions that govern postmodern and feminist theory offering educators a language to create new ways of conceiving pedagogy and its relationship to social cultural and intellectual life It challenges some of the major categories and practices that have dominated educational theory and practice in the United States and in other countries since the beginning of the twentieth century Rejecting the apolitical nature of some postmodern discourses and the separatism characteristic of some versions of cultural feminism the contributors take a political stand rooted in concern with cultural and social justice In so doing these essays represent a linguistic shift regarding how we think about ethics foundationalism difference and culture The selections present a concern with developing a language that is critical of master

narratives racism sexism and those technologies of power in schools that subjugate infantilize and oppress students The authors also develop a language of possibility that focuses on analyzing how power can be linked productively to knowledge how teachers can construct classroom social relations based on notions of equity and justice how critical pedagogy can contribute to an identity politics that is grounded in democratic relations and how teachers can develop analyses that enable students to become self reflective actors as they transform themselves and the conditions of their social existence

Exploring Teachers in Fiction and Film Melanie Shoffner, 2016-03-31 This book about teachers as characters in popular media examines what can be learned from fictional teachers for the purposes of educating real teachers Its aim is twofold to examine the constructed figure of the teacher in film television and text and to apply that examination in the context of teacher education By exploring the teacher construct readers are able to consider how popular fiction and film have influenced society's understandings and views of classroom teachers Organized around four main themes Identifying with the Teacher Image Constructing the Teacher with Content Imaging the Teacher as Savior The Teacher Construct as Commentary the chapters examine the complicated mixture of fact stereotype and misrepresentation that create the image of the teacher in the public eye today This examination in turn allows teacher educators to use popular culture as curriculum Using the fictional teacher as a text preservice and practicing teachers can examine positive and negative and often misleading representations of teachers in order to develop as teachers themselves [Educating the Global Environmental Citizen](#) Greg William Misiaszek, 2017-12-15 Misiaszek examines the dis connection between critical global citizenship education models and ecopedagogy which is grounded in Paulo Freire's pedagogy Exploring how concepts of citizenship are affected by globalization this book argues that environmental pedagogues must teach critical environmental literacies in order for students to understand global environmental issues through the world's diverse perspectives Misiaszek analyses the ways environmental pedagogies can use aspects of critical global citizenship education to better understand how environmental issues are contextually experienced and understood by societies locally and globally through issues of globalization colonialism socio economics gender race ethnicities nationalities indigenous issues and spiritualities
