Critical Thinking A Students Introduction 4th Forth Edition

Gregory Bassham

Critical Thinking A Students Introduction 4th Forth Edition:

Critical Thinking Gregory Bassham, 2023 The first edition of Critical Thinking A Student's Introduction grew out of our conviction that a critical thinking text that works that produces real measurable improvement in students critical reasoning skills must have two essential features It must be a text that today's gadget loving students actually read It must provide abundant class tested exercises that give students the practice they need to develop as maturing critical thinkers In revising Critical Thinking A Student's Introduction for this edition we've tried to remain faithful to this original vision Many passages have been rewritten to make the book clearer and we hope more engaging and accessible In addition many new readings have been added to keep the text timely and fresh *Critical Thinking, fourth edition* William Hughes, Jonathan Lavery, 2004-08-31 William Hughes's Critical Thinking recently revised and updated by Jonathan Lavery is a comprehensive and accessible introduction to the essential skills required to make strong arguments Hughes and Lavery give a thorough treatment of such traditional topics as deductive and inductive reasoning logical fallacies and how to spot them the importance of inference how to recognise and avoid ambiguity and how to assess what is or is not relevant to an argument But they also cover a variety of topics not always treated in books of this sort special concerns to keep in mind when reasoning about ethical matters and how the nature of a language can affect the structure of an argument The book gives a lucid treatment of the differences between descriptive and evaluative meaning one person's freedom fighter is another person's terrorist For the fourth edition Jonathan Lavery has added a new chapter on scientific reasoning expanded the treatment of analogies added numerous examples and revised and updated the text throughout BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Critical Thinking: A Student's Introduction Gregory Bassham, James M. Wallace, William Irwin, Henry Nardone, 2012-09-05 Bassham's popular text helps today's students bridge the gap between everyday culture and critical thinking Using a proven step by step approach this text covers all the basics of critical thinking in clear reader friendly language The 5th edition has taken into account suggestions from users and reviewers of previous editions and has added an Appendix and new readings exercises and examples throughout the text Instructors and students can now access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access McGraw Hill Connect is a subscription based learning service accessible online through your personal computer or tablet Choose this option if your instructor will require Connect to be used in the course Your subscription to Connect includes the following SmartBook an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content Access to your instructor's homework assignments quizzes syllabus notes reminders and other important files for the course Progress dashboards that quickly show how you are performing on your assignments and tips for improvement The option to purchase for a small fee a print version of the book This binder ready loose leaf version includes free shipping Complete system
