Critical Call Proceedings Eurocall Conference:

Critical CALL – Proceedings of the 2015 EUROCALL Conference, Padova, Italy Francesca Helm, Linda Bradley, Marta Guarda, Sylvie Thouësny, 2015-12-02 The theme of the conference this year was Critical CALL drawing inspiration from the work carried out in the broader field of Critical Applied Linguistics The term critical has many possible interpretations and as Pennycook 2001 outlines has many concerns It was from these that we decided on the conference theme in particular the notion that we should question the assumptions that lie at the basis of our praxis ideas that have become naturalized and are not called into question Over 200 presentations were delivered in 68 different sessions both in English and Italian on topics related specifically to the theme and also more general CALL topics 94 of these were submitted as extended papers and appear in this volume of proceedings **CALL communities and culture – short papers from EUROCALL 2016** Salomi Papadima-Sophocleous, Linda Bradley, Sylvie Thouësny, 2016-12-18 The 23rd EUROCALL conference was organised by the Cyprus University of Technology Language Centre The theme of the conference was CALL communities and Culture Between the 24th and 27th August 2016 over 135 presentations were delivered and 27 posters were presented 84 of these presentations appear in this volume of selected peer reviewed short papers CALL and professionalisation: short papers from EUROCALL 2021 Naouel Zoghalmi, Cédric Brudermann, Cédric Sarré, Muriel Grosbois, Linda Bradley, Sylvie Thouësny, 2021-12-13 The 2021 EUROCALL conference engaged just under 250 speakers from 40 different countries Cnam Paris and Sorbonne Université joined forces to host and organise the event despite the challenging context due to the Covid 19 pandemic Originally programmed to be held on site in the heart of Paris France the EUROCALL organising team and executive committee agreed to opt for a blended and then for a fully online conference The theme of the 2021 EUROCALL conference was CALL Professionalisation This volume a selection of 54 short papers by some of the EUROCALL 2021 presenters offers a combination of research studies as well as practical examples fairly representative of the theme of the conference CALL and complexity – short papers from EUROCALL 2019 Fanny Meunier, Julie Van de Vyver, Linda Bradley, Sylvie Thouësny, 2019-12-09 The theme selected for the 2019 EuroCALL conference held in Louvain la Neuve was CALL and complexity As languages are known to be intrinsically and linguistically complex as are the many determinants of learning additional languages complexity is viewed as a challenge to be embraced collectively The 2019 conference allowed us to pay tribute to providers of CALL solutions and to recognize the complexity of their task We hope you will enjoy reading this volume as it offers a rich glimpse into the numerous debates that took place during EuroCALL 2019 We look forward to continuing those debates and discussions with you at the next EuroCALL conferences Proceedings of the 7th Celt International Conference (CIC 2024) Ekawati Marhaenny Dukut, Antonius Suratno, Heny Hartono, Radhika Gajjala, M.
