Critiquing Krugman Justin Merrill, 2012-11-02 A critical review of Krugmanomics rooting out contradictions inconsistencies and ahistorical arguments proposed by Prof Paul Krugman since the Great Recession **End This Depression Now!** Paul Krugman, 2013-01-28 A New York Times best selling call to arms from Nobel Prize winning economist Paul Krugman The Great Recession is more than four years old and counting Yet as Paul Krugman points out in this powerful volley Nations rich in resources talent and knowledge all the ingredients for prosperity and a decent standard of living for all remain in a state of intense pain How bad have things gotten How did we get stuck in what now can only be called a depression And above all how do we free ourselves Krugman pursues these questions with his characteristic lucidity and insight He has a powerful message for anyone who has suffered over these past four years a quick strong recovery is just one step away if our leaders can find the intellectual clarity and political will to end this depression now **Great Unraveling** Paul Krugman, 2004-08-31 Paul Krugman is a hero of mine Read his book *Al Franken* No one has more authority to call the shots the way they really are than award winning economist Paul Krugman whose provocative New York Times columns are keenly followed by millions One of the world's most respected economists Krugman has been named America's most important columnist by the Washington Monthly and columnist of the year by Editor and Publisher magazine A major bestseller this influential and wide ranging book has been praised by BusinessWeek as Krugman's most provocative and compelling effort yet the New York Review of Books as refreshing and Library Journal as thought provoking even funny The American Prospect put it in vivid terms In a time when too few tell it like it is Krugman has taken on the battle of our time Built from Paul Krugman's influential Op Ed columns for the New York Times this book galvanized the reading public With wit passion and a unique ability to explain complex issues in plain English Krugman describes how the nation has been misled by a dishonest administration In this long awaited work containing Krugman's most influential columns along with new commentary he chronicles how the boom economy unraveled how exuberance gave way to pessimism how the age of corporate heroes gave way to corporate scandals how fiscal responsibility collapsed From his account of the secret history of the California energy crisis to his devastating dissections of dishonesty in the Bush administration from the war in Iraq to the looting of California to the false pretenses used to sell an economic policy that benefits only a small elite Krugman tells the uncomfortable truth like no one else And he gives us the road map we will need to follow if we are to get the country back on track The paperback edition features a new introduction as well as new writings The Great Unraveling Paul Krugman, 2004-08-17 Paul Krugman is a hero of mine Read his book *Al Franken* No one has more authority to call the shots the way they really are than award winning economist Paul Krugman whose provocative New York Times columns are keenly followed by millions One of the world's most respected economists Krugman has been named America's most important columnist by the Washington Monthly and columnist of the year by Editor and Publisher magazine A major bestseller this

influential and wide ranging book has been praised by BusinessWeek as Krugman's most provocative and compelling effort yet the New York Review of Books as refreshing and Library Journal as thought provoking even funny The American Prospect put it in vivid terms In a time when too few tell it like it is Krugman has taken on the battle of our time Built from Paul Krugman's influential Op Ed columns for the New York Times this book galvanized the reading public With wit passion and a unique ability to explain complex issues in plain English Krugman describes how the nation has been misled by a dishonest administration In this long awaited work containing Krugman's most influential columns along with new commentary he chronicles how the boom economy unraveled how exuberance gave way to pessimism how the age of corporate heroes gave way to corporate scandals how fiscal responsibility collapsed From his account of the secret history of the California energy crisis to his devastating dissections of dishonesty in the Bush administration from the war in Iraq to the looting of California to the false pretenses used to sell an economic policy that benefits only a small elite Krugman tells the uncomfortable truth like no one else And he gives us the road map we will need to follow if we are to get the country back on track The paperback edition features a new introduction as well as new writings

The Conscience of a Liberal Paul Krugman, 2009-01-12 The most consistent and courageous and unapologetic liberal partisan in American journalism Michael Tomasky New York Review of Books In this clear provocative Boston Globe New York Times bestseller Paul Krugman today's most widely read economist examines the past eighty years of American history from the reforms that tamed the harsh inequality of the Gilded Age and the 1920s to the unraveling of that achievement and the reemergence of immense economic and political inequality since the 1970s Seeking to understand both what happened to middle class America and what it will take to achieve a new New Deal Krugman has created his finest book to date a stimulating manifesto offering a compelling historical defense of liberalism and a clarion call for Americans to retake control of their economic destiny Publishers Weekly As Democrats seek a rationale not merely for returning to power but for fundamentally changing or changing back the relationship between America's government and its citizens Mr Krugman's arguments will prove vital in the months and years ahead Peter Beinart New York Times

The Return of Depression Economics Paul R. Krugman, 1999 Reveals how the world's most influential financiers have failed to learn the lessons of history and are steering on a course to economic disaster

The Return of Depression Economics and the Crisis of 2008 Paul Krugman, 2008-11-25 Our newest Nobel Prize winning economist shows how today's crisis parallels the events that caused the Great Depression and explains what it will take to avoid catastrophe In 1999 in *The Return of Depression Economics* Paul Krugman surveyed the economic crises that had swept across Asia and Latin America and pointed out that those crises were a warning for all of us like diseases that have become resistant to antibiotics the economic maladies that caused the Great Depression were making a comeback In the years that followed as Wall Street boomed and financial wheeler dealers made vast profits the international crises of the 1990s faded from memory But now depression economics has come to America when the great housing bubble of the mid 2000s burst the

U S financial system proved as vulnerable as those of developing countries caught up in earlier crises and a replay of the 1930s seems all too possible In this new greatly updated edition of *The Return of Depression Economics* Krugman shows how the failure of regulation to keep pace with an increasingly out of control financial system set the United States and the world as a whole up for the greatest financial crisis since the 1930s He also lays out the steps that must be taken to contain the crisis and turn around a world economy sliding into a deep recession Brilliantly crafted in Krugman s trademark style lucid lively and supremely informed this new edition of *The Return of Depression Economics* will become an instant cornerstone of the debate over how to respond to the crisis

End This Depression Now University Paul Krugman,2015-02 Japanese edition of *End This Depression Now* by Paul Krugman winner of 2008 Nobel Prize in Economics and Professor of economics at Princeton Four years after the recession countries should be doing much better economically Why In Japanese Annotation copyright Tsai Fong Books Inc Distributed by Tsai Fong Books Inc

The Great Unravelling Paul R. Krugman,2004 No one has more authority to call the economic shots than Paul Krugman In this long awaited work which contains all his most influential recent writings along with new commentary Krugman chronicles how the boom economy unravelled how exuberance gave way to pessimism how the age of corporate heroes gave way to corporate scandals how fiscal responsibility collapsed From his account of the secret history of the California energy crisis to his devastating dissections of the dishonesty of the Bush administration Krugman tells the uncomfortable truth about how the United States lost its way

The Conscience of a Liberal Paul Krugman,2015-09-24 In *The Conscience of a Liberal* Paul Krugman one of the US s most respected economists and outspoken commentators lays out his vision of a New Deal for a fairer society After the Second World War it seemed that in the West society was gradually becoming more equal Welfare States had been established in many countries there was a general reduction in income inequality and in America Franklin D Roosevelt s New Deal seemed to ensure strong democratic values and broadly shared prosperity So what went wrong Why in the past thirty years has the gap between the poor and the super rich become such a gulf Why are we so disillusioned with the political system And what can be done about this huge economic inequality and bitter polarization Krugman argues that the time is ripe for another era of great reform Here he outlines a programme for change explaining what can be done to narrow the wealth gap And he shows how a new political coalition can both support and be supported by reform making our society not just more equal but more democratic *The Conscience of a Liberal* promises to reshape public debate and become a touchstone work
