This is an incredible story Steve Harvey Each of us is living a story the story of our life For Sam Collier his story started with rejection because when he and his twin sister were born their biological mother gave them up for adoption Through the many obstacles and challenges throughout Sam's life God would prove to him that in spite of the opposition he was truly writing a story Sam could never have written in his own strength In this deeply personal yet remarkably universal book Sam Collier tells his inspiring story of abandonment sacrifice gratitude and rescue revealing how God is always doing something bigger and better than we might imagine That he has a purpose and a plan for every single one of us That he is always telling his greater story through our trials our relationships and our triumphs If you're in the middle of a challenging time and long to

know that God is working through it Sam's story will teach you how to see the big picture even when there are pieces missing

the wisdom he has offered in the formation of significant Christian writers in both the nineteenth and twentieth centuries. Authors such as C. S. Lewis, G. K. Chesterton, Dorothy Sayers, J. R. R. Tolkien, W. H. Auden, Frederick Buechner, and others attribute to MacDonald key paradigm shifts and insights in their own lives. A study of MacDonald does not offer a formulaic approach to theology and the imagination but the possibility of gleaning from his rich harvest relevant nourishment for our own day. It also provides a context in which to assess potential weaknesses in imaginative approaches to theology.
