Crosscurrents Of Children's Literature An Anthology Of Texts And Criticism:

Crosscurrents of Children's Literature John Daniel Stahl, Tina L. Hanlon, Elizabeth Lennox Keyser, 2007 This volume combines a wide variety of primary texts with critical readings examines the texts within the context of critical debates explores the ways in which children's literature combines instruction and entertainment oral and written traditions words and pictures fantasy and realism classics and adaptations and perspectives on childhood and adult life It spans a wide range of literary periods genres and cultural traditions and examines how these overlapping forms and genres diverse influences and evolving values and attitudes towards children and childhood have shaped the body of literature written for young adults and children Instructor's Manual to Accompany Crosscurrents of Children's Literature John Daniel Stahl, Tina L.

Hanlon, Elizabeth Lennox Keyser, 2007 **Ethics and Children's Literature** Claudia Mills, 2016-05-13 Exploring the ethical questions posed by in and about children's literature this collection examines the way texts intended for children raise questions of value depict the moral development of their characters and call into attention shared moral presuppositions The essays in Part I look at various past attempts at conveying moral messages to children and interrogate their underlying assumptions What visions of childhood were conveyed by explicit attempts to cultivate specific virtues in children What unstated cultural assumptions were expressed by growing resistance to didacticism How should we prepare children to respond to racism in their books and in their society Part II takes up the ethical orientations of various classic and contemporary texts including prosaic ethics in the Hundred Acre Wood moral discernment in Narnia ethical recognition in the distant worlds traversed by L. Engle and virtuous transgression in recent Anglo American children's literature and in the emerging children's literature of 1960s Taiwan Part III's essays engage in ethical criticism of arguably problematic messages about our relationship to nonhuman animals about war and about prejudice The final section considers how we respond to children's literature with ethically focused essays exploring a range of ways in which child readers and adult authorities react to children's literature Even as children's literature has evolved in opposition to its origins in didactic Sunday school tracts and moralizing fables authors parents librarians and scholars remain sensitive to the values conveyed to children through the texts they choose to share with them **The Oxford Handbook of Children's Literature** Julia Mickenberg, Lynne

Vallone, 2012-11-29 Remarkably well researched the essays consider a wide range of texts from the U S Britain and Canada and take a variety of theoretical approaches including formalism and Marxism and those related to psychology postcolonialism reception feminism queer studies and performance studies This collection pushes boundaries of genre notions of childhood Choice Back cover of book *Children's Literature in Action* Sylvia M. Vardell, 2019-06-14 This practitioner oriented introduction to literature for children ages 5-12 covers the latest trends titles and tools for choosing the best books and materials as well as for planning fun and effective programs and activities The third edition of *Children's Literature in Action* provides an activity oriented survey of children's literature for undergraduate and graduate students

seeking licensure and degrees that will lead to careers working with children in schools and public libraries Author Sylvia M Vardell draws on her 30 years of university teaching and extensive familiarity with the major textbooks in the area of children s literature to deliver something different a book that focuses specifically on the perspective and needs of the librarian with emphasis on practical action and library applications Its contents address seven major genres picture books traditional tales poetry contemporary realistic fiction historical fiction fantasy and informational books Each chapter includes practical applications for the educator who shares books with children and who develops literature based instruction Chapters are enriched by author comments collaborative activities featured books special topics and activities including selected awards and celebrations historical connections recommended resources issues for discussion and assignment suggestions This new edition incorporates the 2018 AASL National School Library Standards

The Mythology of the Animal Farm in Children's Literature

Stacy E. Hoult-Saros,2016-07-21 The Mythology of the Animal Farm in Children s Literature Over the Fence analyzes the ways in which myths about farmed animals lives are perpetuated in children s materials Specifically this book investigates the use of five recurring thematic devices in about eighty books for young children published during the past five decades The close readings of texts and images draw on a wide range of fields including animal theory psychoanalytic and Marxian literary criticism child development theory histories of farming and domestication and postcolonial theory In spite of the underlying seriousness of the project the material lends itself to humorous and not overly heavy handed explications that provide insight into the complex workings of a literary genre based on the covering up of real animal lives

The Aesthetics of Children's Poetry

Katherine Wakely-Mulroney,Louise Joy,2017-11-01 This collection gives sustained attention to the literary dimensions of children s poetry from the eighteenth century to the present While reasserting the importance of well known voices such as those of Isaac Watts William Blake Lewis Carroll Christina Rossetti A A Milne and Carol Ann Duffy the contributors also reflect on the aesthetic significance of landmark works by less frequently celebrated figures such as Richard Johnson Ann and Jane Taylor Cecil Frances Alexander and Michael Rosen Scholarly treatment of children s poetry has tended to focus on its publication history rather than to explore what comprises and why we delight in its idiosyncratic pleasures And yet arguments about how and why poetic language might appeal to the child are embroiled in the history of children s poetry

whether in Isaac Watts emphasising the didactic efficacy of like sounds William Blake and the Taylor sisters revelling in the beauty of semantic ambiguity or the authors of nonsense verse jettisoning sense to thrill their readers with the sheer music of poetry Alive to the ways in which recent debates both echo and repudiate those conducted in earlier periods The Aesthetics of Children's Poetry investigates the stylistic and formal means through which children's poetry in theory and in practice negotiates the complicated demands we have made of it through the ages

Children's Literature Seth Lerer, 2009-04-01 Ever since children have learned to read there has been children's literature Children's Literature charts the makings of the Western literary imagination from Aesop's fables to Mother Goose from Alice's Adventures in Wonderland to Peter Pan from Where the Wild Things Are to Harry Potter The only single volume work to capture the rich and diverse history of children's literature in its full panorama this extraordinary book reveals why J R R Tolkien Dr Seuss Laura Ingalls Wilder Beatrix Potter and many others despite their divergent styles and subject matter have all resonated with generations of readers Children's Literature is an exhilarating quest across centuries continents and genres to discover how and why we first fall in love with the written word Lerer has accomplished something magical Unlike the many handbooks to children's literature that synopsise evaluate or otherwise guide adults in the selection of materials for children this work presents a true critical history of the genre Scholarly erudite and all but exhaustive it is also entertaining and accessible Lerer takes his subject seriously without making it dull Library Journal starred review Lerer's history reminds us of the wealth of literature written during the past 2 600 years With his vast and multidimensional knowledge of literature he underscores the vital role it plays in forming a child's imagination We are made he suggests by the books we read San Francisco Chronicle There are dazzling chapters on John Locke and Empire and nonsense and Darwin but Lerer's most interesting chapter focuses on girls fiction A brilliant series of readings Diane Purkiss Times Literary Supplement
