Crucified Love Bonaventures Mysticism Of The Crucified Christ:

Crucified Love Ilia Delio (o.s.f.),1998 Crucified Love Ilia Delio,1998 The author studies various aspects of Bonaventure's mystical world view leading to an understanding of his relevance to contemporary issues such as individualism and relatedness peace and violence and the problems of the created world's relationship to the person who seeks to love God in all and above all **Flannery O'Connor and Stylistic Asceticism** Rachel Toombs,2022-10-07 Flannery O'Connor and Stylistic Asceticism explores the impact style has not only on a story's meaning but on the reading experience O'Connor's sparingly wrought stories particularly in their climactic moments of divine disclosure invite characters and readers alike into invitations of graced encounters that often wound even as they bless Flannery O'Connor and Stylistic Asceticism draws out the force and vulnerability in reading spare stories of graced encounters by identifying a kinship with a much older form of storytelling biblical Hebrew narrative Focusing on the climactic scenes of O'Connor's *Wise Blood* and Genesis 32's account of Jacob's nighttime wrestling Rachel Toombs offers a fresh take on the theological impact of spare narration These stories invite readers into a posture akin to prayer where in an uncluttered space we see ourselves as we truly are and there meet God Bonaventure, the Body, and the Aesthetics of Salvation Rachel Davies,2019-12-12 Examines the link between Bonaventure's aesthetics and anthropology in light of contemporary anxieties surrounding bodily diminishment *Truth and Reality* Douglas Dales,2021-01-28 This is a thorough study and exposition of the last work for which St Bonaventure was responsible before his death in 1274 The *Collations on the Hexameron* also called *The Illuminations of the Church* comprises lectures that he gave in Paris in 1273 to Franciscan and other students and masters in the university there They were recorded by two independent witnesses and one version the definitive one was prepared for publication and approved by Bonaventure This is one of the most interesting original and important texts of medieval theology and it has been well translated and edited in a new edition The purpose of this study is to examine the precise context for the approach that Bonaventure took to place this work as the culmination of his spiritual theology and to provide the reader with a lucid epitome of the contents of the text drawing out their significance for theology and prayer in the life of the Church tod255p ay

Divine Illumination Lydia Schumacher,2011-04-18 In *Divine Illumination* Schumacher offers an original approach to Augustine's theory of divine illumination the precondition of all human knowledge Written with great originality and clarity she traces the idea through medieval thinkers into early modernity and reveals its importance in modern theories of knowledge Takes an original approach to reading Augustine's theory of divine illumination and shows how the theory was transformed and reinterpreted in medieval philosophy and theology Presents a groundbreaking way of thinking about the writings of Augustine Anselm Bonaventure Aquinas and John Duns Scotus and relates this to cutting edge questions in contemporary philosophy of religion especially epistemology Is a significant contribution to the history of philosophy but also to contemporary debates on faith and reason Lays the foundation for future efforts to come to terms with the contemporary

epistemological situation and its inherent problems *Junípero Serra* Rose Marie Beebe, Robert M. Senkewicz, 2015-03-11 In *Junípero Serra* California Indians and the Transformation of a Missionary Beebe and Senkewicz focus on Serra's religious identity and his relations with Native peoples They intersperse their narrative with new and accessible translations of many of Serra's letters and sermons which allows his voice to be heard in a more direct and engaging fashion Simplicity, Spirituality, Service Bruce G. Epperly, 2023-11-07 Francis Clare and Bonaventure inspire us to re-enchant and heal our spiritual practices and religious institutions and to reclaim our vocation as God's companions in healing the world Francis was inspired by the simple goal of living a gospel life in the footprints of Jesus Clare took that vision into a deep contemplative spirituality A few decades later Bonaventure explored the theological structure of Francis's ideal and put the simplicity and spirituality of Francis and Clare in the service of the Franciscan order the church and the world Their timeless wisdom and unique contributions can guide Christians today in finding ways to be in the words of Francis's first biographer always new always fresh always beginning again As he did in *Walking with Francis of Assisi* Bruce Epperly shows us how the lives of three saints from the thirteenth century offer wisdom insight and practical solutions to our challenges in the twenty-first century Many of those challenges they never could have imagined others would be very familiar healing divisions among people caring for God's creation in a time of climate change renewing the church's gospel commitment to the poor and vulnerable valuing the human person in an increasingly technological society recognizing the presence of God in an expanding universe Faithfulness to Franciscan spirituality involves inviting other companions to join us on the journey Epperly brings Francis Clare and Bonaventure in dialogue with figures such as Pierre Teilhard de Chardin Pope Francis Joshua Heschel Leonardo Boff Albert Schweitzer Dorothy Day Some of these were influenced by Francis all of them witness to the need for a world formed sustained and sanctified by God's love Mysticism and Intellect in Medieval Christianity and Buddhism Yongho Francis Lee, 2020-03-09 *Mysticism and Intellect in Medieval Christianity and Buddhism* explores two influential intellectual and religious leaders in Christianity and Buddhism Bonaventure c 1217-74 and Chinul 1158-1210 a Franciscan theologian and a Korean Zen master respectively with respect to their lifelong endeavors to integrate the intellectual and spiritual life so as to achieve the religious aims of their respective religious traditions It also investigates an associated tension between different modes of discourse relating to the divine or the ultimate positive cataphatic discourse and negative apophatic discourse Both of these modes of discourse are closely related to different ways of understanding the immanence and transcendence of the divine or the ultimate Through close studies of Bonaventure and Chinul the book presents a unique dialogue between Christianity and Buddhism and between West and East **Franciscan Writings** Dawn M.
