Cruising Guide To The Virgin Islands 13th Ed:

Where the Magic Happens Caspar Craven, 2018-05-17 In June 2009 Caspar and Nichola created a plan to sail around the world with their young children Most people thought they were crazy But over the past seven years they ve embraced every moment of this momentous chapter of their lives Five years of planning the vision the values the practicalities the realities the excitement the highs the lows and the seemingly adventure stopping obstacles led to two wonderful years of living their dream the magical and the scary enjoying life and learning as a family This is Caspar s story It s a story of a fabulous sailing adventure but it s also so much more than that it s an inspirational tale for all those wishing they could do the same it s a practical guide to show you just how you can make it happen it s a motivational story of leadership and teamwork within a family and it s a funny heart warming tale of slightly unconventional family life The fascinating narrative of Caspar s story is accompanied by useful text features such as tip boxes sidebars and chapter summaries so that the reader can easily extrapolate the necessary nuggets about how they can make the dream a reality *Book Catalog of the Library and Information Services Division: Shelf List catalog* Environmental Science Information Center.
