web description porous media fluid transport and pore structure presents relevant data on the role of pore structure in terms of transport phenomena in pore spaces the information is then applied to the interpretation of various experiments and results of

porous media fluid transport and pore structure searchworks - Jul 03 2023

web pore structure capillarity in porous media single phase transport phenomena in porous media selected operations involving transport of a single fluid phase through a porous medium multiphase flow of immiscible fluids in porous media miscible displacement and dispersion index source nielsen book data publisher s summary

from computational fluid dynamics to structure interpretation - Nov 26 2022

web mar 25 2022 we report the application of machine learning methods for predicting the effective diffusivity de of two dimensional porous media from images of their structures pore structures are built using reconstruction methods and represented as images and their effective diffusivity is computed by lattice boltzmann lbm simulations

porous media fluid transport and pore structure google books - May 01 2023

web dec 2 2012 porous media fluid transport and pore structure presents relevant data on the role of pore structure in terms of transport phenomena in pore spaces the information is then applied to

porous media fluid transport and pore structure google books - Jan 29 2023
