Trampling Out the Vintage Frank Bardacke, 2012-10-09 The first ever comprehensive history of the rise and fall of the United Farm Workers and its infamous leader Cesar Chavez one of the most attractive and charismatic figures U S politics has produced The Guardian In its heyday the United Farm Workers was an embodiment of its slogan Yes we can in the form S Se Puede winning many labor victories securing collective bargaining rights for farm workers and becoming a major voice for the Latino community Today it is a mere shadow of its former self Trampling Out the Vintage is the authoritative and award winning account of the rise and fall of the United Farm Workers and its most famous and controversial leader Cesar Chavez Based interviews conducted over many years with farm workers organizers and the opponents and friends of the UFW the book tells a story of collective action and empowerment rich in evocative detail and stirring human interest Beginning with the influence of the ideas of Saul Alinsky and Catholic Social Action at the union's founding through the UFW's thrilling triumphs in the California fields the drama concludes with the debilitating internal struggles that effectively crippled the union A vivid rendering of farm work and the world of the farm worker Trampling Out the Vintage is a dramatic reappraisal of the political trajectory of Cesar Chavez and the United Farm Workers and an essential re evaluation of their most tumultuous years

An International History of the Cuban Missile Crisis David Gioe, Len Scott, Christopher Andrew, 2014-06-05 This edited volume addresses the main lessons and legacies of the 1962 Cuban Missile Crisis from a global perspective Despite the discoveries of recent research there is still much more to be revealed about the handling of nuclear weapons before and during the Cuban Missile Crisis CMC Featuring contributions from a number of eminent international scholars of nuclear history intelligence espionage political science and Cold War studies An International History of the Cuban Missile Crisis reviews and reflects on one of the critical moments of the Cold War focussing on three key areas First the volume highlights the importance of

memory as an essential foundation of historical understanding and demonstrates how events that rely only on historical records can provide misleading accounts This focus on memory extends the scope of the existing literature by exploring hitherto neglected aspects of the CMC including an analysis of the operational aspects of Bomber Command activity explored through recollections of the aircrews that challenge accounts based on official records The editors then go on to explore aspects of intelligence whose achievements and failings have increasingly been recognised to be of central importance to the origins dynamics and outcomes of the missile crisis Studies of hitherto neglected organisations such as the US Defense Intelligence Agency DIA and the British Joint Intelligence Committee JIC both extend our understanding of British and American intelligence machinery in this period and enrich our understanding of key episodes and assessments in the missile crisis Finally the book explores the risk of nuclear war and looks at how close we came to nuclear conflict The risk of inadvertent use of nuclear weapons is evaluated and a new proposed framework for the analysis of nuclear risk put forward This volume will be of much interest to students of intelligence studies international history foreign policy security studies and IR in general

Saving the Security State Inderpal Grewal, 2017-10-27 In *Saving the Security State* Inderpal Grewal traces the changing relations between the US state and its citizens in an era she calls advanced neoliberalism Marked by the decline of US geopolitical power endless war and increasing surveillance advanced neoliberalism militarizes everyday life while producing the exceptional citizens primarily white Christian men who reinforce the security state as they claim responsibility for protecting the country from racialized others Under advanced neoliberalism Grewal shows others in the United States strive to become exceptional by participating in humanitarian projects that compensate for the security state's inability to provide for the welfare of its citizens In her analyses of microfinance programs in the global South security moms the murders at a Sikh temple in Wisconsin and the post 9 11 crackdown on Muslim charities Grewal exposes the fissures and contradictions at the heart of the US neoliberal empire and the centrality of race gender and religion to the securitized state
