Day Fall Final Exam Kingsborough 2013:

Civic Engagement Pedagogy in the Community College: Theory and Practice Emily Schnee, Alison Better, Martha Clark Cummings, 2015-11-19 This book will help post secondary educators to discover the joys and challenges of implementing theoretically grounded civic engagement projects on their campuses The essays on civic engagement and public scholarship are written by an interdisciplinary group of community college faculty who have designed and implemented civic engagement projects in their classrooms The projects they describe stand at the intersection of research theory and pedagogy They challenge dominant constructions of civic engagement as students bring their community culture and history into the classroom The authors consider the particular complexities and constraints of doing civically engaged teaching and scholarship at the community college level and situate their projects within current theoretical debates about civic engagement public scholarship and public higher education
