Mclendon,2014-07-24 It all began when we decided to get an airplane I looked forward to riding with my husband over the countryside and enjoying the scenery But one day he dropped the bomb He told me I would need to learn to fly the plane because should something happen to him up there I would have to put it on the ground I began waking up at night silently screaming because I felt I was flying out of control up there with no way of getting the plane down We ordered the Ground School materials and thus the journey began I had overcome cancer I could do this too My new song became I believe I can fly As instruction continued and the hours added up I suddenly realized I was a pilot *Our Journal Our Journey* - Tammy Bimrose,2013-02-06 The journey continues with more laughter more thrill and Michael being typical Michael This journey has many twists and turns and one twist I have found to be spiritually captivating not just for me but all who call this planet home This journey started with the first volume where it opened our minds to fathom that there is in fact an afterlife I have been informed by Jesus that time is of the essence and now is the most important period of our lives where all Religious
