De Amerikaanse Zaken Van C J M De Wolf

Richard Dean Burns

De Amerikaanse Zaken Van C J M De Wolf:

At Spes non Fracta Marten Gerbertus Buist, 2012-12-06 The setting for this study is reflected in the sub title Merchant bankers and diplomats at work The aim is to follow the partners in their many and diverse activities in their relationship towards each other in their contacts with other houses and in their attitudes towards government officials Moreover the author has attempted to show the motives for their commercial and financial actions where these were discernible A point of departure such as this implies that the surviving correspondence constitutes the principal source of information Quantitative data are included but within this framework their role is subsidiary Because this book is intended for various categories of readers it has been divided into three parts The introductory chapter which contains an abridged history of Hope Co up to 1815 is intended for those whose interest in the subject is of a more general nature In the same chapter a number of main themes such as the growth of foreign loans in the Netherlands and the technique per se of issuing loans are discussed and attention is devoted to some of the problems of trade and to the question whether Hope Co should be viewed as merchants or as bankers In conclusion an impression is given of the part played by Amsterdam as a financial centre during the Napoleonic era and of the very exceptional position which Hope Co occupied at that time
