Patrick O'Brian's Bodies at Sea Michael Leigh Sinowitz, 2014-08-05 An exploration of the complex roles that bodies both literally and figuratively play in the 21 volume Aubrey Maturin series reveals much about the novels many meditations on mind and body Beginning with a consideration of genre norms and the bodies of the novels main characters the book's focus shifts to the ways the series offers

interconnections between the human body and history More literal considerations of the body examine O Brian's depictions of drug use particularly the opium addiction that afflicts Stephen Maturin and human sexuality in its many guises The work then focuses on Desolation Island the fifth novel in the series in light of the discussions above but also in terms of political and psychological tropes that draw upon the relationship of mind and body Questions are examined about the relationship of reader to author and what sustains such a long narrative and what continues to bring a reader back again and again

The Patrick O'Brian Muster Book Anthony Gary Brown, 2015-01-27 Now in its second edition this expanded work catalogs every person animal ship and cannon mentioned by name in the 21 books of Patrick O Brian's series on the maritime adventures of Jack Aubrey and Stephen Maturin The novels renowned for their far ranging web of wit and allusion teem with thousands of characters and ships both imaginary and historical From Master and Commander to 21 The Unfinished Voyage this book distinguishes the fictional from the factual making a useful series companion for the casual reader and the most ardent fans Each of the more than 5 000 alphabetized entries provides a reference to the novels and chapters in which the topic appears Additionally biographical notes on the historical figures are included with sources provided in an annotated bibliography
