Examining Teach For All Matthew A.M. Thomas, Emilee Rauschenberger, Katherine Crawford-Garrett, 2020-07-28 Winner 2022 Outstanding Book Award from the Society of Professors of Education Winner 2021 Book Award from the Globalization and Education SIG Comparative and International Education Society Examining Teach For All brings together research focused on Teach For All and its affiliate programmes to explore the organisation s impact on education around the world Teach For All is an expanding global network of programmes in more than 50 countries that aim to radically transform education systems by recruiting talented graduates to teach for two years in under resourced schools and developing them into lifelong advocates of reform The volume offers nuanced insights into the interests and contexts shaping Teach For All and the challenges and possibilities inherent in broader efforts to enact education reform on a global scale This volume is the first of its kind to present empirical research on the emergence and expansion of Teach For All programmes which replicate and adapt the Teach For America model around the world The volume traces the network s expansion from its initial launch in 2007 to its growing international presence as chapters

present new research from national contexts as diverse as Bangladesh Lebanon and Spain Using evidence from a range of perspectives and research methodologies the chapters collectively highlight the ways in which Teach For All and its affiliate programmes are working to alter educational landscapes worldwide This book will be of great interest for scholars educators post graduate students and policymakers in the fields of comparative education teacher education education leadership and education policy It paves the way for future critical inquiry into this expanding global network as well as further investigations of educational change around the world

Progressive Neoliberalism in Education Ajay Sharma, Mardi Schmeichel, Elizabeth Wurzburg, 2022-08-15 This volume makes the novel contribution of applying Nancy Fraser's concept of progressive neoliberalism to education in order to illustrate how social justice efforts have been co-opted by neoliberal forces As well as recognising the lack of consensus surrounding the very nature of Fraser's concept of progressive neoliberalism the book delivers a diversity of perspectives and methodological orientations that offer critical and nuanced examination of the diverse ways in which progressive neoliberalism has shaped education in North America Documenting manifestations of progressive neoliberalism in areas including anti-racist education teacher education STEM and assessment the volume uses qualitative empirical research and critical discourse analysis to identify emerging tools and strategies to disentangle the progressive aims of education from neoliberal agendas Offering a rarely nuanced treatment of the phenomenon of neoliberalism this text will benefit scholars academics and students in the fields of education policy and politics the sociology of education and the philosophy of education more broadly Those involved with the theory of education and multicultural education in general will also benefit from this volume
