Determined Mate Toni Griffin, Erika O. Williams, 2013-11-16 Jason Matthews is a broken man. He's lived through hell and barely come out the other side. All he can think about is getting to his best friend Brian after that he has no idea. Jason's scared out of his mind when he's met by not only Brian but two large men as well. He does the only thing he can think to do. He tries to run. One of the men though turns out to be his mate. A mate he is in no condition to have or want a mate that won't allow him to flee. Alex Holland is forced to stand by and watch as Jason is taken to the safest place they know too scared to be around him. He knows something bad has happened to Jason and he's going to need every ounce of his Alpha control to give his mate the time he needs to heal and start living again.

Holland Brothers (Volume One) Toni Griffin, 2011-10 Unexpected Mate Book 1 After being rejected by his parents and kicked out of his pack for being gay, Brian gets in his truck and drives. Breaking down outside small town Leyburn, Brian never thought he'd meet his mate. Let alone have his mate reject him as well because he's straight. Marcus is shocked by the unexpected appearance of a cute man claiming to be his mate. Marcus can't be gay. He's the police inspector of a small town and those two things don't go well together. Let alone the fact that all his brothers are gay. Someone needs to get married, settle down, and have a family to continue the Holland name. Can Marcus come to terms with the fact his mate is a man or will he risk losing Brian forever? However, not everyone in the pack is entirely happy with this mating.

Determined Mate Book 2 Jason Matthews had been through hell. After being drugged and attacked, being disowned by his parents was just the icing on the cake. All Jason wanted was to see his best friend again and a place where he could heal. What he didn't expect to find was a tall, tattooed muscle bound god who claimed to be his mate. Alex Holland, Alpha of the Leyburn shifter pack, couldn't believe his luck. The sexy little sprite standing at his door is his mate. It soon becomes apparent though that not everything is as it should be. Alex must learn to curve his Alpha instincts to immediately claim the man as his own. Alex must take things slowly or risk losing his mate forever. Can Jason learn to trust and love his mate or will the past catch up with them and ruin any chance they have at a future together?
