Dethroning Jesus Exposing Popular Cultures Quest To Unseat The Biblical Christ:

Dethroning Jesus Darrell L. Bock, Daniel B. Wallace, 2010-05-17 New York Times bestselling author Dr Darrell Bock teams up with Dr Daniel Wallace to help you separate fact from fiction among constant attacks on Christianity from popular culture and bogus scholars There is a quest going on to reduce Jesus to a mythic legend or to nothing more than a mere man Scholars such as Elaine Pagels and James Tabor are using recent discoveries like the Gospel of Judas and the Gospel of Thomas to argue that the Christ of Christianity is a contrived figure and that a different Christ one human and not divine is the true Christ Both research professors Bock and Wallace set out a vigorous defense of Christianity against a popular trend that they dub Jesusanity where Christ was simply a human teacher In their trademark easy to understand style the authors take on attempts to redefine Jesus in a convincing way that will help you understand that the orthodox understanding of Christ and his divinity is as trustworthy and sure as it ever was This book Refutes the six main claims that represent a large part of skepticism about Jesus today Provides credible answers to attacks on the traditional texts Defends against the interpretations of bogus scholars and the arguments of biased scholars Constructs a positive case for the Jesus of faith If you re exhausted by the constant attempts to dethrone Jesus renew the security of your knowledge of who Jesus really is the Son of God *Jesus and the Gospels (2nd Edition)* Craig Blomberg, 2020-05-21 A clear and comprehensive introduction to the study of Jesus and the Gospels Craig Blomberg s award winning *Jesus and the Gospels* prepares readers for an intensive study of Matthew Mark Luke John and the events they narrate Blomberg considers the historical context of the Gospels and sheds light on the confusing interpretations brought forth over the last two centuries This updated edition incorporates new scholarship debate critical methods and the ongoing quest for the historical Jesus and ensures the work will remain a valuable tool for exploring the life of Christ through the first four books of the New Testament **Jesus in an Age of Neoliberalism** James G. Crossley, 2014-10-20 *Jesus in an Age of Neoliberalism* analyses the ideology underpinning contemporary scholarly and popular quests for the historical Jesus Focusing on cultural and political issues the book examines postmodernism multiculturalism and the liberal masking of power The study ranges across diverse topics the dubious periodisation of the quest for the historical Jesus biblioblogging Jesus the Great Man and western individualism image conscious Jesus scholarship the Jewishness of Jesus and the multicultural Other evangelical and mythical Jesuses and the contradictions between personal beliefs and dominant ideological trends in the construction of historical Jesuses *Jesus in an Age of Neoliberalism* offers readers a radical revisioning of contemporary biblical studies *The True Jesus* David Limbaugh, 2017-04-10 A New York Times Bestseller Who do you say that I am Uttered by Jesus Christ this profound question has presented an age old challenge to believers skeptics scholars and rulers In attempting to answer this question *The True Jesus* goes straight to the unimpeachable source the books of Matthew Mark Luke and John Only in the Gospels says 1 New York Times bestselling author David Limbaugh do we come face to face with the Son of God Whose sublime teachings

miraculous actions and divine essence leap off every page and into our hearts In this book Limbaugh combines the four Gospel stories into a unified account though not he humbly admits a perfect harmony and guides readers on a faith journey through the Four Evangelists testimonies of the life of Jesus Christ Along the way Limbaugh shares his insights on Jesus words and deeds as well as His unique nature as fully human and fully divine In *The True Jesus* you will learn Why even the apostles failed to completely understand Jesus true identity and mission until after His crucifixion The real basis for the rejection of Jesus message by skeptics in His hometown and elsewhere The historical events preceding Jesus birth that providentially paved the way for Christianity How Jesus message utterly contradicted modern attempts to portray Him as being non judgmental Limbaugh s passion for the Gospels infuses the pages of *The True Jesus* which is both a primer for new Bible readers and an outstanding guide to the Gospels for long time believers Who really is the true Jesus Open this book and begin your odyssey toward the answer

Understanding Jesus Peter S Williams, 2014-08-08 Examines the Gospel accounts of Jesus life the claims of Jesus life and ministry Peter S Williams brings a philosopher s Jesus and argues that understanding the spirituality of Jesus is the path to our own spiritual enlightenment Williams takes issue with new atheist discussions of faith and historical Jesus studies before guiding Christian understanding of Jesus

The Jesus Who Never Lived H. Wayne House, 2008 Jesus asked no more profound question than this one that He posed to His disciples He asks that same question of you today But how can anyone know for certain who Jesus is when confronted with so many different views of Him Is He the good but powerless Jesus of world religions the less than fully God Jesus of the cults of Christianity the mystical and even sensual Jesus of Hollywood and popular media

Entering the Fray T. Michael W. Halcomb, 2012-08-02 In modern times the relationship between the church and academy has been strained and tension filled Mainstream church culture has often been skeptical of Bible scholars depicting them as self serving intellectuals trying to out think God by devising new and controversial interpretations Just as well academics have often leveled harsh critiques against church culture painting pastors and laity as anti intellectual pseudo spiritualists *Entering the Fray* argues that in spite of the wide gap between the academic and ecclesiastical worlds the modern church should be aware of the key discussions taking place among biblical scholars To be sure the average churchgoer has not been tuned in to scholarly conversations concerning matters such as the Messianic Secret Q the Historical Jesus the pistis Christou debate and related topics In fact they may have purposefully tuned out Some however are simply unaware that any such dialogue has taken place and beyond the internet may not have the first clue as to how to explore the details This primer seeks to function as that first clue by helping congregants pastors and students of the Bible enter into the fray of scholarly discussions that over the last few hundred years have shaped both the academy and church The companion website can be found at <http://michaelhalcomb.com/enteringthefray/home.html>
