Deuteronomy Loving Obedience To A Loving God Preaching The Word:

Deuteronomy Ajith Fernando, 2012-05-31 The book of Deuteronomy is a call to obedience the proper response to God's faithfulness and love Consisting primarily of speeches that Moses gave to the Israelites shortly before they entered the Promised Land Moses words proclaimed God's covenant faithfulness in hopes of motivating the Israelites to obey God despite the coming temptation to conform to the Canaanite culture The challenges they faced then are remarkably parallel to those facing Christians today as we grapple with the issue of obedience in a world that offers other attractive ways of life We wonder How can we be faithful to God And how do we help our children and the people we lead to be faithful This book tells us how Moses tackled these challenges and as Paul confirms in the New Testament Deuteronomy serves as an example written down for our instruction 1 Cor 10 11 Ajith Fernando unpacks the relevance of Deuteronomy and captivates us with rich anecdotes from his thirty five years of ministry to first generation Christians in Sri Lanka He offers concrete examples of how the truths contained in Deuteronomy can be applied and he teaches us that obedience is the necessary response to the God who loves and saves us Part of the Preaching the Word series Themelios, Volume 37, Issue 3 D. A.

Carson, 2015-01-27 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary **Journey Through Deuteronomy** Ajith Fernando, The temptations the Israelites faced to conform to Canaanite culture in the promised land are remarkably parallel to those facing Christians today We too grapple with the issue of obedience in a world that offers other seemingly attractive ways of life We wonder How can we be faithful to God And how do we help our children and the people we lead to be faithful Moses tackled these challenges in his final speeches to the Israelites which are recorded for us in the book of Deuteronomy Discover why obedience is the

necessary response to the God who loves and saves us The Journey Through series provides assistance to those who desire to spend time with God in His Word book by book The biblical insights will help them discover the precious life transforming wisdom of the Bible inspiring them towards a closer walk with God **The Family Life of a Christian Leader** Ajith

Fernando,2016-07-18 Anyone involved in Christian ministry knows how challenging it is to balance ministry and family responsibilities Many demands pull leaders in different directions making it easy to neglect one or the other often without even realizing it Writing from decades of counseling and personal ministry experience Ajith Fernando points Christian leaders back to the most important aspect of their lives their relationship with God He then offers practical guidance for responding to real life situations in the home including disciplining children dealing with disappointment loving one's spouse and pursuing joy This book presents Christian leaders with a healthy and God centered understanding of family that leads to a flourishing home **Rebels with Insufficient Cause** J. M. Sparrow,2018-09-19 Why are Americans of African descent as

a group not flourishing like other racial groups in America Dr J M Sparrow in Rebels with Insufficient Cause proposes that value formation through the biblical model of the family is lacking The secular world is redefining and reinterpreting the social structures that God created in order for humans to enjoy maximum human flourishing Every person or social group that chooses to ignore God's designs for humanity will experience chaos but every person and social group that submits to God's designs for humanity will experience order Americans of African descent are experiencing that chaos in greater measure than any other racial group Since this book holds to a biblical worldview that teaches that all humans are created equal Americans of African descent are not inherently more debased than other races However since the out of wedlock birth rate is astronomically higher in black communities than in others they are experiencing a greater share of the chaos Yet all is not lost When Americans of African descent begin to hold up the truths of the Bible as normative and encourage future generations to practice the same things will begin to turn around Americans of African descent must choose to reject the victim mentality see themselves as part of the larger American culture rather than as outsiders and inculcate biblical values on their children in the midst of loving supportive and God honoring family units **Genesis** R. Kent Hughes,2004-10-26

The book of Genesis contains some of the most beautiful and well known stories in the Bible the garden the flood the tower of Babel and the lives of the patriarchs But these are more than just good stories They lay the groundwork for God's relationship with humanity and for his plan for our salvation making Genesis foundational to understanding everything else that happens in the Bible Genesis reveals much about human nature and the nature of God From the actions of the first man and woman we see where our rebellious sinful nature originates And through the whole book we see the hand of a sovereign God who is loving and merciful but also just and holy Time and again in Genesis God showers his grace upon undeserving humanity giving us our first tastes of God's enduring faithfulness that shines throughout the entire Bible R Kent Hughes respected pastor and author of many other commentaries in the Preaching the Word series takes readers back to the

beginning of the Bible and moves through Genesis with careful exegesis He explores the superbly crafted structure of the book as well as the weighty themes it contains For those who preach teach and study God s Word this exceptionally detailed work will reveal much about the beginnings of God s great story Part of the Preaching the Word series The Sermon on the Mount R. Kent Hughes,2013-04-30 The three chapters of Matthew known as the Sermon on the Mount contain truths so rich and powerful that even a lifetime of study could not exhaust their depths For centuries Jesus s majestic portrait of the kingdom of heaven and his unparalleled instructions for godliness have captivated Christians and non Christians alike In this classic commentary now revised with a fresh look and ESV Bible references seasoned pastor R Kent Hughes guides readers through this glorious portion of the Bible with exegetical precision expositional clarity and practical sensitivity Whether used by preachers small group leaders or individual laypersons this resource will prove invaluable for illuminating the Sermon on the Mount s enduring power to enliven hearts and transform minds Part of the Preaching the Word series **1-2 Timothy and Titus (ESV Edition)** R. Kent Hughes,Bryan Chapell,2012-07-31 Preaching the Word Commentaries are written by pastors for pastors as well as for all who teach or study God s word With pastor R Kent Hughes as the series editor these volumes feature an experienced pastor or teacher who models expository preaching and practical application This series is noted for its steadfast commitment to biblical authority clear exposition of Scripture and readability making it widely accessible for both new and seasoned pastors as well as men and women hungering to read the Bible in a fresh way This volume explores 1 and 2 Timothy and Titus to help us better understand what God requires of those who lead in the local church as well as of those who would be led *Romans* R. Kent Hughes,2013-05-31 Paul s letter to the Romans is considered by many to be the richest exposition of theological truth ever written The majestic themes of justification by faith freedom from sin substitutionary atonement and God s gracious adoption of sinners ring throughout its pages In this classic commentary now updated with a fresh look and Scripture references from the ESV Bible pastor R Kent Hughes brings clear exposition and pointed application to this power packed Pauline letter Useful for corporate or individual study this volume will encourage and equip believers in their walk with God and understanding of his Word Part of the Preaching the Word series **Loving God and Neighbor** George Van Pelt Campbell,Derek Van Pelt Campbell,2024-09-24 The Old Testament book of Deuteronomy is the Bible s most elaborate explanation of what it means to love God and love neighbor In fact the book contains the Bible s first explicit command to love God in Deut 6 4 5 often referred to as the Shema Jesus quoted heavily from Deuteronomy during his ministry and this book still contains many practical teachings for his followers today Drawing from recent understanding of the book s previously perplexing structure we find that while the Ten Commandments are famously framed mostly as brief negatives such as do not murder they were written to teach an open ended array of positive ways to demonstrate love for God and neighbor This book offers a positive restatement of each commandment to establish how Deuteronomy presents each commandment s full meaning This book will help readers discover the riches of the book of

Deuteronomy by reading it with understanding It will also offer the resources needed to lead a Bible study on or preach through Deuteronomy so that Christians are better prepared to love God and neighbor
