exploring serious themes alien to most franchises Planet of the Apes The Complete History explores every aspect of this phenomenon from books to films comic books to television shows and video games to merchandise providing an overview that is truly definitive With the help of new and exclusive interviews with Planet of the Apes producers directors writers actors and makeup artists Sean Egan attempts to gain an understanding of how a media property changed the world *War for the Planet of the Apes: Revelations* Greg Keyes,2017-06-06 Driven from their woodland home Caesar and his apes are still recovering from the takeover by renegade ape Koba Caesar is desperate to avoid war with the humans but this is a faint hope as his enemies are about to receive military reinforcements headed by the ruthless Colonel McCullough *War for the Planet of the Apes: Official Movie Novelization* Greg Cox,2017-07-18 Caesar and his apes are forced into a deadly conflict with an army of humans led by a ruthless Colonel After the apes suffer unimaginable losses Caesar wrestles with his darker instincts and begins his own mythic quest to avenge his kind As the journey finally brings them face to face Caesar and the Colonel are pitted against each other in an epic battle that will determine the fate of both their species and the future of the planet **Realms of the Deathless** Greg Keyes,2022-09-27 Greg Keyes has always been a skilled storyteller Terry Brooks New York Times bestselling author The Curse shaped Aster s life from birth At first she believed her father was its only victim and determined to save him from it In doing so she learned that the Curse had stricken everyone in the magical realms known as the Kingdoms and that in an attempt to protect her her father had himself created it Now he is dead a victim of his own sorcery But the Curse has not ended with him Her father s actions his dread spell were only the shadows cast by a much deeper older conflict which is now unwinding the universe itself As the sun fades and the stars wink out Aster must follow a clue from her dead father to the highest furthest domain beyond the fairy tale kingdoms through fantastic and terrifying realms of gods and demons to the very source of reality the beginning and ending of everything There she might finally set things right Her path is narrow and the sacrifices necessary for even a tiny chance at success are unacceptable For the Curse has also released a rot at the very heart of the High and Faraway an evil more ancient than time itself It is against this unwavering malevolence that Aster Errol Billy Dusk and Delia must pit themselves They must do so without their friend Veronica a girl murdered decades before and brought back to life by Aster s magic For as Veronica discovers her own vast power she stares into the face of the enemy and sees in it her true self *The Reign of the Departed* Greg Keyes,2018-06-19 A young man looking for death finds purpose in a world beyond our own in this sweeping fantasy from Greg Keyes The Briar King Newton s Cannon Errol Greyson hadn t intended to commit suicide Or so he told himself But waking up after his cry for help in the body of a wood and metal construct magically animated by Aster the strange girl from school was not a result he could have imagined Aster s wild explanations of a quest to find the water of health that would cure her father seemed as unreal as her description of Errol s own half dead existence his consciousness stuck in an enchanted automaton while his real body was in a coma from which it might never wake And of course they would need to recruit a girl a virgin no less who had

been dead for thirty years to lead them through something called the Pale beyond which a bunch of magical kingdoms existed Plus the threat that Aster could turn him off like a light switch sending him into a hellish oblivion was a convincing incentive to cooperate It all seemed quite mad Either Aster was nuts or Errol was hallucinating But if it meant a new chance at life he reckoned it was worth playing along
