Dawn Of The Emperors:

Dawn of the Emperors Aaron Allston, 1989-08-01 **Dawn of the Emperors** Aaron Allston, 1989 Enigma of the Emperors Ben-Ami Shillony, 2021-10-01 This important new and original study on the institution of the Japanese emperors from their mythological beginnings to the present day focuses on the enigma of the institution itself namely the extraordinary continuity of the Japanese dynasty which is unknown anywhere else in the world yet which is now at risk on account of more recent laws of succession The prisms through which this remarkable achievement is examined are the notions of divinity gender and subservience The volume is divided into nine sections Strange Survival The Feminine Beginnings of the Japanese Monarchy Empresses and Consorts Subservience as Power Rising Fortunes in an Era of Peace Meiji the National Father Figure The Elusive Divinity of the Modern Emperors Return to Sacred Subservience Continuity in Danger Based on earlier research first published in Japanese Haha Naru Tenno Enigma of the Emperors adds significantly to the existing corpus of work on this subject addressing many traditional preconceptions and misconceptions along the way Accordingly it will undoubtedly be welcomed within scholarly circles as well as being of particular interest to a wider readership not least because of its relevance in the context of the major contemporary issues surrounding the future of the dynasty in the twenty first century *The Last Emperors of Vietnam* Oscar Chapuis, 2000-03-30 This book tells the story of French interaction with Vietnam and the neighboring region which began with the French seizure of Cochin China and Tonking in the 19th century under Emperor Tu Duc and ended with their humiliating defeat at Dien Bien Phu in 1954 After the conclusion of treaties with China in the nineteenth century Western nations sought access to the resource rich region of Yunnan After attempts at exploring the Mekong River the French turned their sights to the Red River Only after Jean Dupuis successfully linked Hanoi with Yunnan was Admiral Dupre able to begin the conquest of Tonking This volume begins where Chapuis s History of Vietnam left off completing the colonial history of Vietnam The decline of French authority in Indochina began with Japanese demands and subsequent occupation during World War II The 9 March 1945 Japanese coup would mark the beginning of the end of French supremacy however French authorities would return with troops to confront the Vietnamese demands for unity and independence after Japan s defeat Although an agreement between Sainteny and Ho Chi Minh would allow the French army to land in North Vietnam the creation of the southern Republic of Cochin China would be a move that ran counter to Vietnamese nationalist sentiment Nine years later the French found themselves ousted from their former colony *The Emperor and the Army in the Later Roman Empire, AD 235-395* Mark Hebblewhite, 2016-12-19 With *The Emperor and the Army in the Later Roman Empire AD 235 395* Mark Hebblewhite offers the first study solely dedicated to examining the nature of the relationship between the emperor and his army in the politically and militarily volatile later Roman Empire Bringing together a wide range of available literary epigraphic and numismatic evidence he demonstrates that emperors of the period considered the army to be the key institution they had to mollify in order to retain power and consequently

employed a range of strategies to keep the troops loyal to their cause Key to these efforts were imperial attempts to project the emperor as a worthy general imperator and a generous provider of military pay and benefits Also important were the honorific and symbolic gestures each emperor made to the army in order to convince them that they and the empire could only prosper under his rule *Martial Divine Emperor* Yong ShengZhiLian,2019-11-26 In the vast mystical world there were thousands of different races that stood side by side The sky was boundless and there were thousands of different spiritual worlds There were many heroes in the world as experts continued to imitate legends and pursue the world of pride The good for nothing youth rode the eternal phoenix and entered the martial world He shook the spirit world laughing arrogantly the entire way His might shook the entire world as he weaved many shocking legends **The Last Emperors** Evelyn S. Rawski,1998-11-15 The Qing Dynasty 1644 1911 was the last and arguably the greatest of the conquest dynasties to rule China Its rulers Manchus from the north held power for three centuries despite major cultural and ideological differences with the Han majority In this book Evelyn Rawski offers a bold new interpretation of the remarkable success of this dynasty arguing that it derived not from the assimilation of the dominant Chinese culture as has previously been believed but rather from an artful synthesis of Manchu leadership styles with Han Chinese policies *Japan* Joseph Henry Longford,1923
