Days Of The Living Christ Volume 1:

Days of the Living Christ W. Cleon Skousen, 2018-12-21 No other life has had such an amazing impact upon the human race as did our Savior Jesus Christ From His birth in a humble stable until His death upon the cross of Golgotha He left all of us simple teachings direct commandments and profound doctrines which have altered the history of the world He performed astounding miracles that left His disciples and other onlookers stunned and speechless He condemned the hypocrisy of the religious leaders of the day who would eventually conspire and arrange His death at the hands of the Romans The culminating act of His ministry was the priceless gift of His eternal Atonement which opened the floodgates of the resurrection ending the final and icy grip of death upon all mankind One day we too will participate in the glorious experience of the resurrection when all tears will be dried and fears will cease In a matter of just three years His brief ministry changed the course of history Gone was the harsh and rigid Mosaic law replaced by the higher law of love for friends and enemies alike His life is an example to all All of these magnificent scriptural accounts and doctrines can be found within the pages of Days of the Living Christ

Days of the Lord: Volume 1 Various, 2024-03-15 Days of the Lord is an excellent guide to the riches of the Church's liturgy and a welcome companion to the Sacramentary the Liturgy of the Hours and the Lectionary First published in Belgium this outstanding seven volume series will enable all Christians to enter into the mystery of the liturgical year to pray with understanding to proclaim the beauty and wealth of the liturgy More than a thorough commentary on the readings more even than a reflection on the liturgical seasons this series comprehends the totality of the liturgical year that vehicle developed by the Church to express summarize and present the whole mystery of Christ the mystery that we are called to profess and celebrate every day Since this mystery belongs to all Christians the writers of this series have written their reflections with the average reader in mind Yet the knowledge and insight that they bring to this work make it invaluable even to those who are themselves well versed students of the liturgical calendar Readers will come away not only with a greater understanding of the liturgical year its structure and meaning but with a deepened appreciation of the prayer life the liturgical year provides through its structure

Spirit Growth Volume 1 Rodger Gibbs, 2006-10 Through poetry prayer and its answers sermon notes Bible study and quiet time in communion with God Gibbs describes his life in Christ Christian

The Jesus Christ Papers Richard W. Linford, 2009-10 Although testimonies of witnesses bolster our faith that Jesus Christ lives only by the witness of The Holy Spirit can we know Jesus is the Christ the Son of the Living God By the power of the Spirit we know He is Jehovah The Messiah The Living Christ and Savior of the world In the words of Paul But the natural man receiveth not the things of the Spirit of god for they are foolishness unto him neither can he know them because they are spiritually discerned Read 1 Corinthians 2 11 14 16

Luminescence, Volume 1 C. K. Barrett, Fred Barrett, 2017-04-25 What is found in this series unveils an entirely different side of C K Barrett a side one might never have known about if one had knowledge only of his famous commentaries and monographs Herein lies a goodly

selection of Kingsley's sermons preached largely in small and medium sized Methodist churches in the northeast of England though often elsewhere in England and around the world Fred Barrett was not the scholar his son was but on close inspection one can most definitely see the impact of the father on the son when it came to preaching It seems right to include as many sermons from both of these men as we can in this series One thing sorely lacking in much preaching these days is in depth engagement with both the biblical text and one's tradition and theology The sermons in these volumes demonstrate what such preaching can look like This first volume presents 100 sermons on the Gospels and Acts

Chronicle of the Living Christ Robert A. Powell, 1996 This pioneering monumental work utilizes the visionary legacy of Anne Catherine Emmerich and the spiritual scientific discoveries of Rudolf Steiner concerning various hidden facts of Christ's incarnation Powell has established the dates and daily events of Jesus Christ on Earth Further he indicates their significance for our future In part one Powell gives a historical overview Then using esoteric sources and his own knowledge of sidereal astrology he offers startling insights into the circumstances of the Christmas event and the incarnation In part two Powell offers a daily chronicle of the three and a half year ministry of Jesus Christ on Earth dating the events with an unprecedented accuracy Also Powell correlates significant events in Christ's life with upcoming dates in the history of humankind and indicates that the living presence of the Christ is increasingly accessible to us
