

Ferdinand Magellan

The Age of Exploration was a very important time period in world history. The events of this era gave rise to powerful empires as well as widespread economic change in Europe, Asia and the Americas. The wealth generated by trade and the revolutionary new technology invented to make exploration possible helped make

many men very powerful. One of these key players was a Portuguese explorer named **Ferdinand Magellan**. His actions during the Age of Exploration opened a brand new chapter in European maritime trade and encounters with the diverse people of the world.

Ferdinand Magellan was a cartographer (map-maker) from the country of Portugal. He grew up during a time when the Portuguese government was establishing trade

routes along the coasts of Africa. He wanted to be a part of this venture when he came of age.

What did the artist of this painting include to let the viewer know that Magellan was an explorer?

Who was Ferdinand Magellan? Where was he from?
