

*I can insist on my rights and still be a good person.*

*I sometimes have a right to assert myself, even though I may inconvenience others.*

*The fact that other people might not be assertive doesn't mean that I shouldn't be.*

*I can understand and validate another person, and still ask for what I want.*

*There is no law that says other people's opinions are more valid than mine.*

*I may want to please people I care about, but I don't have to please them all the time.*

*Giving, giving, giving is not the be-all of life. I am an important person in this world, too.*

*If I refuse to do a favor for people, that doesn't mean I don't like them.*

*They will probably understand that too.*

*I am under no obligation to say yes to people simply because they ask a favor of me.*

*The fact that I say no to someone does not make me a selfish person.*

*If I say no to people, and they get angry, that does not mean that I should have said yes.*
